Please remember dirty small linens are in TWO places. The room behind the main altar and the Vesting Sacristy off the Gathering Space. Linens need to be washed (no starch), spot treated (if necessary) and ironed. **Pick them up on Sunday after Masses or Monday and return them as soon as possible.** A few clean ones need to be on hand for weekday services and funerals.

Please place some small CLEAN linens in the drawer in the Vesting Sacristy for Father Tony each week.
