Dear Sophomore Parents,

The Sophomore retreat has a new date! The retreat is now set to be on Sunday, April 11 from 8:30 am until 4:00 pm. We will attend Mass at 9:00 am in the church.

As a reminder, this retreat focuses on Catholic Social Teaching and how we live out our faith. It is a time for building a sense of community among our young people and for continuing the process of their growth in our faith.

Even if you submitted your registration for the retreat in November, we are asking for you to **please fill out and resubmit the permission slip portion by following this [link](#)** or finding the link on the retreats page of the website. We were advised that it would be best to have everyone submit new permission slips during these times. Please select "Previously Paid" if you already paid and you will be able to submit the permission slip without a payment. Thank you so much for your cooperation. If you have questions, please contact Maureen Michaels in the Formation Office as soon as possible at michaelsm@stanthony.cc.

If for any reason your teen is not able to make this retreat, they will need to participate in a social justice retreat before Confirmation. They can do this by attending our retreat next year as a peer leader. We usually have a large team and have a lot of fun working and planning together. The peer leaders must attend the planning meetings as well as the retreat. Please let us know as soon as possible if your son or daughter will not be able to make our entire retreat.

We need a few adults to help during the day. We cannot do this retreat without parent volunteers! If you are able to help, please contact me.

Please let me know if you have any questions. I think this retreat will be a wonderful experience for your teens. I am looking forward to the retreat and hope your teen is excited as well.

Many blessings,

Taylor
