

The Kind of People He Invites

THE INVITATION: SESSION 1

Main Points:

- When Jesus called his Disciples, he flipped the traditional system on its head. He didn't call the religious elite, he called regular people.
- Jesus' disciples weren't perfectly holy before he called them. And we don't have to be either. It is in following him that we become more like him.
- Discipleship is a process, not a program. It is the process of following Jesus and becoming more like him.
- It is also the process of becoming more yourself. St Catherine of Siena said, "Become who God meant you to be and you will set the world on fire."

Commit:

- This week our group is simply committing to coming back next time.
