## **FAMILY TO FAMILY PROGRAM**

### **Santisimo Sacramento Piura, Peru**

In 1998, Fr. Joseph Uhen, pastor of Santisimo Sacramento Parish in Piura, Peru came to St. Anthony's as a mission speaker. What has evolved from that weekend is a relationship far beyond our dreams.

To date we have approximately 320 families participating in this program which helps provide food to families of this very poor region.

There are over 40,000 people in Fr. Uhen's parish, most of whom live in conditions without running water or electricity.

When a father or mother go out in the morning to look for work for the day, they are successful if they bring home around \$8.00. This meager salary is enough to feed a family for part of the month but does not cover it all. That's where the Family-to-Family Program comes in. By sponsoring a family for \$30 per month or \$360 for the year you

would be providing rice, beans, powdered milk, oil and various other sundries which help to stretch the family grocery needs for a month.

Having visited and help participate in the delivery of the monthly distributions, we can guarantee that every cent of your donation goes directly to the family you sponsor.

Should you decide you would like to participate in this wonderful program we ask that you complete the form to the right and return it to the parish office.

If you have a copy of a family photo you would like to send to your new Peru family that would be great. You can even send them a letter giving them some details about the members of your family. When we visit the villages we are always thrilled to see St. Anthony family photos hanging on the walls of the Peru family homes.

Our Peru friends are forever thankful and always praying for their "Padrinos" or Godparents to whom we are lovingly referred.

*God Bless you for your  
consideration in helping with this  
twinning ministry!*

# **St. Anthony on the Lake FAMILY to FAMILY PROGRAM**

I/We wish to participate in the Family to Family Program with our sister parish, Santisimo Sacramento of Piura, Peru.

I/We understand the cost is \$30 per month or \$360 for a year to cover the monthly cost of rice, beans and other necessities for a family in this parish.
