## 2018-2019 Goals

---

- Evaluate negative student recess behavior through surveys and observation at least 3 times before May 10, 2019 to determine if our current methods (e.g. supervision, faith community, and parish and classroom covenants) are adequate.
- Increase parental participation/volunteerism by 25% by May 2019, as measured by parent survey and signup genius participation.
- With parent, teacher, and student input, evaluate current handbook policies and make necessary revisions by August 2019. This is including, but not limited to: behavior policy, athletics policy, uniform policy, and parent volunteer requirements.
- Coordinate installation of new preschool playground equipment by June 7, 2019.
- Evaluate school-wide fundraising efforts and budget based on unknown future of HSS.
