From the Desk of Father Tony

Greetings fellow stewards!

I'm so pleased to share this stewardship guidebook with you. My prayer is that it will be a meaningful resource for you as you prayerfully discern how God is calling you to share your gifts. In fact, I'll be referencing this guide in my homily this weekend (November 9-10th) so please **bring it with you to Mass!**

To follow Jesus is to cultivate a generous heart. Please take some time to consider your commitments for the coming year.

I look forward to joining with you as we offer our pledges together during all the Masses on the weekend of November 16th & 17th.

Blessings,

Fr. Tony Zimmer
Pastor

Homily Reflection & Discussion

November 9-10, 2019

WHERE HAVE YOU EXPERIENCED TABLE FELLOWSHIP*?

WHAT HAPPENED TO YOU AND OTHERS THERE?

WHAT NEEDED TO TAKE PLACE IN ORDER FOR THAT TABLE FELLOWSHIP TO HAPPEN?

**What is Table Fellowship?*

Gathering with friends and/or family to share a meal, share stories, share life together

Have you ever wondered what it means to be a good **STEWARD?**

Don't Worry...You're Not Alone!

ACCORDING TO THE U.S. BISHOPS' PASTORAL LETTER ON STEWARDSHIP:

As Christian stewards, we **RECEIVE** God's gifts gratefully, **CULTIVATE** them responsibly, **SHARE** them lovingly in justice with others, and **RETURN** them with increase to the Lord.

**ONE RENEWAL.
THREE COMMITMENTS.
EACH A GIFT.**

**ST. ANTHONY ON THE LAKE
STEWARDSHIP MISSION:**

Lead people to growth as mature Christian disciples by deepening engagement in prayer, service and sacrificial giving.

Why do we ask for your commitment?

1

For **YOU**

You matter to us. Your presence. Your gifts of time, talent and treasure. Your heart. You are a treasured part of this community. Part of our Stewardship Commitment is for YOU.

2

For Our **COMMUNITY**

Our Community needs all three areas of our Stewardship Renewal. Prayer, Resources and Ministry. As we continue to strive to live out our covenant, as God has called us to do, part of this commitment is for our community as a whole. Your commitments help us to nourish this growing community of faith.

3

For Our **FUTURE**

We are proud to have a thriving community here at St. Anthony on the Lake. Your commitment today will impact future generations who will come to know and live out God's call for them here. It is a continuum of maintaining our beautiful community, not only for ourselves but for the future.

PRAYER

MINISTRY

RESOURCES

The Prayer Process developed by Dynamic Catholic was meant to give anyone a simple framework they could use every day to guide their conversation with God. This is an excerpt from "Four Signs of a Dynamic Catholic" by Matthew Kelly.:

1. **Gratitude:** Begin by thanking God in a personal dialogue for whatever you are most grateful for today.
2. **Awareness:** Revisit the times in the past twenty-four hours when you were and were not the-best-version-of-yourself. Talk to God about these situations and what you learned from them.
3. **Significant Moments:** Identify something you experienced in the last twenty-four hours and explore what God might be trying to say to you through that event (or person).
4. **Peace:** Ask God to forgive you for any wrong you have committed (against yourself, another person, or God) and to fill you with a deep and abiding peace.
5. **Freedom:** Speak with God about how He is inviting you to change your life, so that you can experience the freedom to be the-best-version-of-yourself.
6. **Others:** Lift up to God anyone you feel called to pray for today, asking God to bless and guide them.
7. **Pray the Our Father.**

If you're a beginner, we hope this reminds you of the simplicity of what prayer can be. There are many ways you can commit to prayer, we've listed some as ideas on the commitment card for you to consider.

There is no right or wrong way to pray.

PRAYER REFLECTION

TO CONSIDER:

Reflecting on the last 12 months - where has your prayer life been?

When reacting to the seven steps of The Prayer Process what intrigued you the most and why?

If you were going to set aside 15 minutes a day to pray at the same time every day, what time of the day would be best for you?

PRAYER COMMITMENT:

In reviewing the commitment card what are the areas of your prayer life that you are ready to commit to and why?

Often it is challenging to see our most beautiful gifts and how to apply them to work, personal life and our parish community. It's important to know the worth of the gifts and talents God sent YOU. These gifts and talents are crucial to your personal life and our parish community.

Check out the Unlock Your Gifts program here at St. Anthony on the Lake if you struggle to understand the talents God has entrusted to you.

We have SIX main areas for ministry work here at St. Anthony on the Lake and with each there are specific needs, talents and personalities welcome:

SPIRITUAL LIFE AND WORSHIP

MUSIC MINISTRY

ADMINISTRATIVE AND GENERAL

HUMAN CONCERNS

PARISH SCHOOL

LIFELONG FAITH FORMATION

**MINISTRY
GUIDE**

Use the Reflection, Ministry Overview and descriptions to review where you might best use your gifts and talents to serve our community in the year ahead.

MINISTRY REFLECTION

TO CONSIDER:

What do other people say you are good at?

In your career, vocation or hobbies, what are some of the skills you've had to master?

Of the six areas of ministry, are there any you feel most called to and why?

Are you in a season of life where you might consider giving of your talent?

When you review the various ministry opportunities listed, what draws you the most in and why?

As Christians, we understand everything we have is a gift from God. In that spirit, a commitment of resources is our opportunity to dedicate a portion of these gifts to furthering God's Kingdom.

Consider these four elements when it comes to a commitment of your resources:

1

PLANNED

For most of us, unless we plan something it does not happen. Unless we incorporate the amount of our giving into our regular budget, it becomes an optional expense and may be lost in the shuffle. Planning allows us to give of our first fruits rather than our leftovers. The planning process itself can be a spiritual exercise, focusing our attention on our values and priorities.

2

PROPORTIONATE

How much should you give? There is no magic number that represents the "right" amount. Some people use the biblical concept of tithe— a tenth as a guideline; the proportion you choose should be sacrificial and truly commensurate to what God has given you. In many instances, it is a goal we have to work toward, recognizing that it takes time to re-orient our priorities. Your Commitment of Resources is your return to God of a proportion of the gifts God has given you, which you choose to share with your parish.

3

YOUR GIFT MATTERS

When discussing a commitment of financial resources, some people feel as though the amount of their giving would not be significant enough to matter. This simply could not be further from the truth. **Every gift - large and small has meaning and purpose.** The act of simply committing and giving is an act of Stewardship, at any dollar amount. If you've never made a commitment consider this your invitation to **start where you are able**, knowing your gift, no matter its size, matters.

4

BALANCING

We know you are balancing a lot, including where you choose to give. Consider utilizing the electronic withdrawal program to bring simplicity to your giving commitment. For more information on electronic giving, see page 15.

RESOURCES REFLECTION

TO CONSIDER:

Reflecting on the last 12 months - how has your giving of resources been going?

When reacting to the 4 elements to consider in your commitment of resources, what jumps out at you most?

Where are there opportunities to plan your giving in your budget for the year ahead?

RESOURCE COMMITMENT:

In reviewing the commitment card what are the resources you are ready to commit to and why is that important to you?

Make it EASY!

AUTOMATE YOUR GIVING

Why?

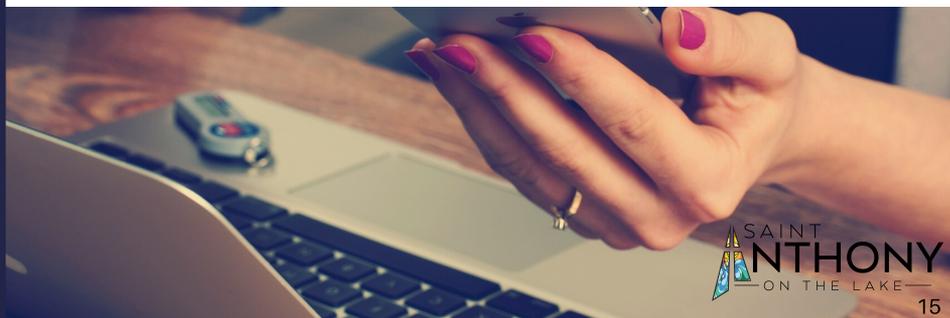

Electronic giving is a huge help to our parish. You help our leaders to budget, you save staff and volunteer time spent processing donations, and most importantly you develop a planned, intentional habit.

How Does It Work?

Utilizing Electronic Funds Transfer (EFT) or a Credit Card, your giving is automatically processed. You can begin the process by providing the relevant information on the enclosed pledge card.
