

Dear Friend:

Do you sense a restlessness in you? Is there a seeking after a lasting happiness that satisfies? St. Augustine realized that: “Our hearts are restless until they rest in You, O Lord.” In these times of instant everything, it is not easy to satisfy this deeper, spiritual longing for what is “True, Loving, and Beautiful.” What is amazing is that we are all restless since everyone is made by God to be seekers.

I am very excited that we are beginning a journey together to answer these questions through RENEW International’s, ARISE: Together in Christ parish program. This offers us the means to deepen our relationship with God and each other. I have seen the difference that this kind of sharing makes in my life and its transforming power in others.

You will receive an invitation to sign up for a small faith-sharing group which meets for 90 minutes each week for six weeks. You are able to choose a day, time, and place for your gathering so that everyone is welcome and able to join in this experience.

It is my great hope that you will respond to this invitation and experience how it can deepen your relationship with God and others who want to grow spiritually. Invite your friends to join you so that they too will realize this GIFT at OLA- Growing in Faith Together.

Say YES to the Lord’s invitation!

Fr. Leon Hutten
Pastor
