MYSTAGOGY

Sacraments are gifts that keep on giving if...

we know how to live them mystagogically,

as a life-long process of living the sacrament,

of sharing the gift we've received.

A religious painting depicting the biblical scene of Jesus washing the feet of a man. Jesus, with a halo, is kneeling on the left, pouring water from a golden basin over the man's foot. The man, with a long white beard and dark robes, sits on the right with his hands clasped in prayer. In the background, other people are seated at a table covered with a white cloth, some looking on. The scene is set in a dimly lit room with warm tones.
