

Covid-19 Reporting Week of 3/20/21 - 3/26/21- at noon

	POSITIVE CASES		QUARANTINED	
	Current	Total	Current-new	Total
Students	1	9	4	107
Staff	0	4	0	10

Quarantined reflects both exposure from school positive cases *AND* outside of school community exposure

Reasons for quarantine commonly include *Exposure* (within 6ft of someone diagnosed with Covid-19 for a total of 15 minutes or more, within 48 hours of that person testing positive)

Quarantine might also include travel locations

Quarantine does *not* include positive cases- this is reflected in the positive case totals
