Good Neighbor Program Sign-Up Sheet

Supporting our community is tenet in the DLM Mission statement and the Good Neighbor Program is one of the main ways we do this. Over 300 local organizations have signed-up to be part of the program. DLM donates \$75,000 back to the community, but our customers choose how the money is distributed. Each Club DLM member is able to choose an organization from our list to have his or her purchases credited. Every time they shop and scan their Club DLM card, the organization is credited with the purchase. Up to 1% of the sales will be rebated back to the organization.

You can help our Religious Education program. Sign up today!
