## Teacher's Corner

### *Mrs. Beth Borland - Intervention Specialist*

It has been such a great year so far! It has been amazing to get to see everyone's face again, after being out of school for so long. This year I get the pleasure of going into the first grade classroom and doing Foundations with them. This is a phonics program that can be used as a whole class setting to help students master phonics skills and rules. The first graders have been so enthusiastic with their learning, and it has been a joy to watch them progress already this year! I am so proud of all of the students that I work with. Each and every single one of them have been showing a tremendous amount of effort and growth already. They have been like sponges, just soaking up all the learning that is happening around them. Let's continue to make this school year a great success!

### News from the Nurse

The St. Albert Covid-19 dashboard is going live! This will be published each week in the STAG newsletter, as well as it is on the school website under the Covid-19 tab.

Please keep in mind that we cannot give specific names or medical information about students or staff. We will be as transparent as we can.

As you can see, we are doing very well as a school community. Please keep up the great work and keep this in mind as we near the holidays. This is not a time to grow weary, the Coronavirus is still very much around Montgomery County. It is very hard to tell your kids "NO" to sleepovers, birthday parties, Fall celebrations, but these are the events that could bring a case and spread into our school.

If you have any concerns or medical questions, please contact Nurse Sarah, [sschadek@stag-school.org](mailto:sschadek@stag-school.org)

### **Walk A Thon Update**

The day of the walk was absolutely beautiful! The kids had a great time taking in the fall colors and admiring the beautiful houses behind St. Albert the Great and through Oakwood. I want to extend a big thank you to the parents and grandparents who volunteered to walk with the classes. StAG PTO volunteers make every event a success!

PTO would like to send a HUGE Thank You to all parents and kids who helped raise money for the touchless water bottle fillers. Thanks to all of your support, the Walkathon raised over \$9,000.00!!!! PTO placed an order for three touchless water bottle filler stations to be placed one on each floor. Due to the demand, it will be up to fifteen weeks before installation.

Another big thank you goes to Katie Duckro who organized this event and spent the time gathering prizes for our StAG students. Also, Lauren Schierloh and Wray VanVoorhis coordinated with PTO to get the specifications for the water bottle filler stations. Last, PTO would like to thank all of the teachers and staff and St. Albert the Great for supporting this event. We hope you enjoyed the walk and the foliage as much as the kids did.
