## Teacher's Corner

### **Mrs. Nancy Hankey - Kindergarten**

The Kindergarten students are off to a great start in 2018!! We have been busy learning about Penguins, Arctic Animals, snowman, neighborhoods, winter and families. Our math journey has taken us from patterns, positions words, geometry, numbers to 20 and our next chapter we will tackle addition. Science and Social Studies have led us to learn about the sun, colors, magnets, experiments with candy corn, Polar animals and important leaders in history. In Religion, we have learned various prayers, about important saints, church and mass traditions, we will even be involved in planning a mass in March. Each day we learn more about how great it is to be a student at St. Albert the Great.

We will be celebrating 100 days of school on February 6th and will be creating projects with 100 objects. Check out some of our amazing projects in our hallway – it is great to be a Kindergarten student!!!!
