We are a Catholic community of faith in Jesus Christ.
“We are a Catholic community of faith in Jesus Christ. We worship. We learn. We share.”

This new mission statement for St. Albert the Great parish describes our proud past and our bright future. Over the years, St. Albert has had many extraordinary people who have built this parish. Eucharistic ministers, lectors, ushers, choir members, servers, sacristans, members of our worship commission and various priests and deacons have helped us worship over the years.

Administrators, teachers and catechists in our school and religious education programs as well as parents have helped us learn about Christ and our faith.

St Albert also has a proud tradition of sharing their gifts with the community around them. Some of this sharing happens when the St. Albert community goes out together. Some happens as Spirit-filled parishioners go out as individuals in our community and make a difference. Building on this proud past, St. Albert is moving forward to be a community that truly witnesses to these tenants of worship, learn and share.

In the following pages, the fiscal year 2016-2017 report seeks to show how St. Albert the Great Parish is building on its proud past as we strive together to worship, to learn, and to share our faith in Jesus Christ.

St. Albert the Great is truly a parish that has the potential to change the world.

Yours in Christ,

2016 saw the necessity for combining the Celebration Choir and the Contemporary Choir into one cohesive Parish Choir. Despite attempting to recruit new choir members through various avenues to achieve a solid base of choir members, the two vocal choirs were combined. Choir members have embraced the opportunity to sing with a larger group, and to sing more in harmony. The combining of the two choirs saw challenges at Christmas and Easter when lots of music is sung. The members from one choir did not necessarily know the music sung by the other. Everyone had to learn the same music, and choir members really proved themselves in quickly learning music for Christmas, and especially learning all the ritual music for the Easter Vigil and Easter Sunday.

Recruitment continues and will continue through different ways. Among them are handing out of small cards by choir members to members of the congregation who have nice singing voices. The cards contain contact information and an encouraging verse for the recipient to prayerfully consider joining the Parish Choir.

In celebration of the 100th Anniversary of the Fatima Apparitions, the parish began Lent with a five week speaker series on the Five Sorrowful Mysteries. Each week, a member of our clergy reflected on one or two of the mysteries. Each reflection was concluded with praying the rosary. Fr. Chris commenced the series on Tuesday, March 7, with the first mystery. In the following weeks, presentations were held by Fr. Pat, Deacon Dave Zink, deacon candidate Dick Strominger, and our seminarian Jedidiah Tritle closed the series with a reflection on Fatima.

Pictured to the right: Seminarian Jedidiah Tritle as he prepares for his presentation on “Our Lady of Fatima.” We were blessed to have Jedidiah here at St. Albert the Great as a pastoral intern during the year.

SCHOOL  Contributed by Sherry Gabert

Some of the GREAT highlights from our past school year:

- Our 4th & 5th grade class outscored the Archdiocese of Cincinnati test scores in Reading, Math, Science, and Social Studies. Grades 3rd-7th outscored the Archdiocese test scores in Science and Social Studies.
- All 7th & 8th grade students participated in Science Fair.
- Students enjoyed field trips and participated in programs including the Muse Machine, SunWatch Village, Young People’s concert at the Schuster, DPO and Dayton Opera presentations, Carillon Park history tour, and UD Women’s Basketball Math Day.
- The PTO generously supports the school and enhances our student learning.
- The Autism Program has grown over the years, and has allowed many families the opportunity of a Catholic education.

RELIGIOUS ED & VBS  Contributed by Julie Penno

Religious Education classes are offered from September to April for parish children 3 years to grade 8 who do not attend St. Albert the Great School. Our catechists are here to proclaim Christ’s message through education and various activities, including service.

For the year 2016-17 we had 226 students. Our 16 RE teachers are very dedicated and some have served this ministry for many years. For the year 2016-17 we had 42 children who made their First Communion/First Reconciliation. We had 45 Confirmation students.

The various service projects we encourage are donating new children’s pajamas for the Holiday Help a Family Program for Catholic Social Services. We also participate in the Rice Bowl program during the Lenten season. Our office also coordinates the Feeding 1,000 service project, as well as Matthew 25 which allows our 8th graders to visit and volunteer at local nonprofit agencies. Our office trains and schedules servers. We coordinate training for those Confirmation students who want to become Eucharistic ministers, lectors or ushers. In the summer we had 65 young students attend our Vacation Bible School and 55 volunteers.

The RE office also coordinates the Youth Ministry Awards. These awards go to students (grades 7-12) who have served the church through various ministries.

The RCIA is a document that was developed out of Vatican II that gives instruction in how to educate and form adults and older children to be initiated fully into the Catholic Church through the sacraments of Baptism, Confirmation, and First Eucharist. For unbaptized individuals those sacraments are normally conferred at the Easter Vigil. For baptized individuals this process may vary according to need. The RCIA is a process that includes instruction in the parts of the Creed, the Sacraments, life as a Christian, and prayer. This formation is accomplished by both education in an adult group setting and liturgical rites celebrated during some Sunday Masses usually after the homily.

**Last year** we had two adults baptized, confirmed, and receiving the eucharist. We also had three baptized adults in other Christian denominations that were confirmed and received the eucharist, and a baby who was baptized with his mother. We also facilitated a Catholic from a different Rite of Catholicism to celebrate Holy Matrimony with his wife from the Roman Rite.

The RCIA team last year was made up of a staff member who is the Coordinator of the program and three others that help to facilitate meetings and contribute as catechists and supporters. **During the 2016/17 time frame** we had 30 sessions, 9 Liturgical Rites, 8 opportunities for community building with other parishes, groups, and special times of retreat and reflection. **Looking forward** we are adjusting our inquiry stage to focus on getting to know each other and the relationships and events that bring us to the table. We hope to give more time and space to sort out where Christ is calling them. It is also a goal to have a longer outreach to our neophytes (new Catholics) after celebrating the initiation sacraments to support their ongoing discipleship in Christ’s Church.

**ATHLETICS** Contributed by Scott Harry & Association members

The Athletic program at St. Albert the Great features CYO (grades 4-8) and SAY & Pee Wee (grades TK-3) programs.

The 2017 Annual Fish Fry raised $25,567.58. This event builds community and also brings many visitors to our campus. Over the past few years the funds raised have supported:

- The remodel of the Parish Center including the remodeling of the bathrooms and entrance, painting the gym, repairing the roof, and completing several gym maintenance items.
- The purchase of new uniforms for basketball.
- The purchase new equipment for several sports on a yearly basis.

“Catholic Youth Athletics furthers the mission of the Catholic Church by providing sports experiences for youth that are firmly rooted in the Catholic faith tradition, based on the goals of Catholic youth ministry, and aligned with the evangelizing mission of the Catholic Church.”  
-Mission of Catholic Youth Athletics
We tend to think that people living in poverty live somewhere other than our own neighborhoods. Let me give you two examples that may cause you to re-think that idea.

In July, our Conference helped a man, in his mid-60s, who lives alone in a sparse apartment. Due to injuries from a car accident, he had to leave his job where he had served as a janitor for 15 years. To make things worse an increase in Medicare reduced his Social Security check and he was unable to cover both his rent and still buy food. While he has recovered well enough to handle part-time work he has no transportation. We took him grocery shopping and then gave him a month’s worth of bus tokens to help him look for work.

In July, we also helped a 34-year-old, single mother of three children, ages 14, 9 and 9. She was in the final stages of a divorce and was still working through changes in bill paying and life on a single income. She fell behind on her DP&L bill and her electricity had been shut off. Because of the urgency of her situation, we paid her $314 electricity bill immediately.

Another major activity of our Conference is the Christmas Caring Tree. For Christmas 2016, through the generosity of individual parishioners, we provided gifts for 71 children and 36 adults. On the Caring Tree, we place 4 tags for each child (2 for clothing items and 2 for toys or gift cards if for an older child). The total value of the 4 items is meant to be a maximum of $100.

We provide each household with a Kroger gift card for groceries and a Walmart gift card for discretionary items. We also give each family 2 Dorothy Lane Market food bags. Through their Good Neighbor program, Dorothy Lane Market very generously donates these bags valued at $20 each. Through this program, we have helped to bring a Merry Christmas to many grateful families.

Our Conference is made up of 23 fantastic, St. Albert men and women – 11 voting members and 12 associate members. We are funded by contributions from St. Albert Parish, the Dayton District Council of St. Vincent de Paul, individual parishioners, and other miscellaneous sources. During the 2016 calendar year, we provided the following monetary assistance.

- **$18,000 for rent/mortgage**
- **$20,000 for utilities**
- **$2,000 for food**
- **$3,000 for furniture and appliances**
- **$5,000 for miscellaneous assistance**

In addition, through programs like the Caring Tree and Thanksgiving dinners provided by the school children, we provided **in kind assistance** valued at **$17,000**.

Our Parish should be very proud of the assistance and caring shown to our neighbors over the years. Unfortunately, our neighbors at risk of becoming homeless continue to need our help. We encourage you to continue, and hopefully increase, your current support: consider donating money, food, or goods, and think seriously about getting personally involved. I can guarantee you that working with the poor will change your life and the lives of those around you.
ST ALBERT SERVICE PROJECT, SALSA GROUP, & GARDEN GUILD
Contributed by Healy Jackson and Kate Dungan

Shortly after arriving at our parish Fr. Chris called a meeting to discuss ways to reenergize our parish community. One result of that meeting was the formation of a service committee whose mission it is to build our parish community by giving parishioners the chance to work together toward a common goal.

Service Committee members have focused on opportunities related to feeding Dayton’s hungry. That’s why you were asked to bring canned goods to the parish picnic and why parishioners came together to serve a meal at Homefull last spring. The Service Committee is still at work and its efforts are manifested in the collaborative effort our Garden Guild, SALSA group, and local businesses have forged to make and sell a pesto sauce that supports our parish’s desire to reduce hunger in the Dayton community. The Garden Guild grows the basil plants, the SALSA ladies turn the leaves into pesto, and Ace Hardware, Dorothy Lane Market and Trader Joe’s contribute in different ways.

Parishioners involved are building friendships & accomplishment something important—reducing hunger, in the name of our parish. Please support this effort by buying the pesto and other products sold on Sundays at our Garden Guild’s Farmers Market. This year the market had sales of $2,445.00, doubling the sales from last year. Proceeds are donated to St. Albert’s St. Vincent Society. Also, approximately 150 lbs of leftover produce was donated to those in need in our parish community.

ST ALBERT YOUTH MINISTRY
Contributed by Karen Fitzharris

The Saint Albert the Great Youth Ministry (SAYM) is open to all youth from 7th grade through high school. The mission is to provide a variety of first-hand faith opportunities including small group faith discussions, along with service projects, community events, fundraisers, Station of the Cross performances, & mission trips that will help the youth build a connection and personal relationship with Christ, friends, families and the community.

2016-17 brought with it several highlights:

- Families and teens organized fundraisers and service projects throughout the year to earn over $46K towards the summer work camps. Parents, chaperones & teens donated over 4,651 hours.
- The students brought home their knowledge & experience from the mission trips to serve the community during Project Beautification. The teens served a dozen senior homebound residents in need, from landscaping to moving furniture as well as scraping and painting a house.
- SAYM also reached out to veterans visiting the VA Hospital to interact with veterans in games of bingo.

We look forward to expanding the St. Albert Youth Ministry faith formation curriculum with the addition of our new Youth Minister Andy Troiano.
Parish History

Founding a Parish:
On July 13, 1939, Archbishop John T. McNicholas set in motion the journey of faith for a parish to be known as St. Albert the Great. Fr. Joseph Rolfs was assigned the first Pastor. The first Mass was held at Oakwood Recreational Hall, with about fifty parishioners in attendance.

Building a Church: The Church was built and completed in 1940, and replaced corn and potato fields. The Rectory was originally located 1/2 mile south, and was moved to the church property in 1939.

Building a School: The School was built and dedicated in 1949. The convent was built in the mid 1950’s to house the Sisters of Charity who were the teachers.

Past Pastors:
Fr. Joseph Rolfs, 1939-1965
Fr. Joseph Urbain, 1965-1967
Fr. James Byrne, 1967-1980
Fr. James Manning, 1991-2006
Fr. Thomas Meyer, 2006-2015
Fr. Chris Worland, 2015-Current

Stewardship Prayer

Great and glorious God, you are the source of all good things and all we have comes from you.

Help us to be ever mindful that we have been made by you and for you, and that our responsibility is to share what you have given us in such abundance.

Help us to put You first in all our decisions.

Help us to distinguish between our wants and our needs.

Inspire us to help build the Kingdom of God by sharing the wealth of gifts you have poured upon us, and give us confidence in your never failing protection.

We ask this in the Spirit and through Christ our Lord.

Amen

Stewardship – a spirituality of gratitude and trust

Stewardship is first and foremost a spirituality. It is a way of connecting with God and connecting with our faith. Stewardship has to do with how we view ourselves and all of God’s creation. Stewardship has to do with trust in God, and gratitude for all we have received from God.

In the opening Chapter of Genesis, God creates everything out of a “formless wasteland.” On the 6th day, God created “man in his image; … male and female he created them.” One of the first things God says to Adam and Eve is “have dominion over the fish of the sea, the birds of the air, and all the living things that move on the earth …” This dominion assumes a respect for what God has just made. In other words humanity is given creation to use, but not to waste. Another way to translate Gen 1:29 would be: “I’ve just created everything so you be good stewards of what I have given you.”

Adam and Eve get into trouble in the next 2 chapters of Genesis. They eat of the fruit from the one tree that God tells them not to eat. They do this so that they would be “like God.” Just as the serpent promised, after eating the forbidden fruit, their eyes were opened and now they knew both good and evil. What the serpent did not tell them was that Adam and Eve only knew “good” before they ate the forbidden fruit, because that’s what God wanted for them. Their self-centeredness got the best of them. They forgot that they weren’t just made for themselves. They forgot that they were not just made by God; they were made for God.

The creation story is one of the best examples of the value of stewardship as a spirituality. If Adam and Eve had trusted in what God had said – if Adam and Eve had spent their time in gratitude for what God had given them (instead of looking for more), they and we would still be in the garden of paradise.

True gratitude cannot come without trust. Trust in God requires us to recognize that everything we have comes from God. As in the Garden of Eden, trust requires us to recognize that God is in charge of our lives. Trust exhibits itself when we give control of our lives over to God. When we think that we are in control, we have a false belief that the world is created in our image and somehow we are in charge. This means that while we make the best choices possible in order to build the Kingdom of God and to be good disciples, God is ultimately in control of our lives and our world.

Gratitude flows from trust. Once we recognize that God is in charge and knows the number of hairs on our heads, then gratitude follows. In other words, gratitude requires us to look at the gifts we have, not what we don’t have.

God’s greatest gifts to us include our relationships with God, with family and with friends. People are more important than things. When we come to this awareness, we also recognize that God has given us what we could not have gotten for ourselves. God has put people in our lives to love and to love us. This reality helps us to be detached from our possessions and puts things in their proper perspective. When we trust in God and when we are grateful for all that God has given us, there can only be one response: We share.

Tithing is not a four letter word. Tithing is really a way of showing our trust in God and gratitude for the great gifts that God has given us. Tithing also nurtures that trust and gratitude. Tithing means that we are willing to give a percentage of what we’ve been given back to God. Tithing includes spending time in prayer. Tithing includes sharing our God-given talents with those who need it. Tithing also includes sharing our treasure with God’s Church and with those who are most vulnerable.

We do not talk about stewardship because the church needs to balance a budget (although running in the black is always a good practice). Rather stewardship is really about authentic Christian spirituality. Stewardship is about our need to give, due to our trust in God, and our gratitude for the great gifts showered upon us. “For where your treasure [time, talent] are, there your heart will be” (Mt 6:21)
