Letter from the Pastor

Dear Parents and Friends of St. Marks,

We find ourselves in a time unlike any other we have experienced. Things are concerning, both in terms of health and finances. Yet, as faithful Catholics, we are prepared for just such a moment! Hope comes from our trust in God, who provides us with everything we need, always! We have no need to panic; rather, be prudent, patient, kind, and steadfast. Importantly, it is a time for us to take care of ourselves and one another with charity that flows from the love of Jesus.

We defeat the coronavirus when we wash our hands thoroughly and often, sanitize common surfaces, wash clothes daily, and keep social distance from others (don't hug, shake hands, etc.). It cannot spread if we don't allow it to infect us. If you aren't feeling well, stay home or, if your symptoms warrant, seek medical care. If you or a family member is ill, you are not obligated to attend Mass. See the **Center for Disease Control's website** for accurate information and updates on the virus, its prevention, treatment, and recovery.

At the same time you are protecting and caring for your family, your Church needs you! As those who are more at risk (the elderly; people with diabetes, high blood pressure, pulmonary or cardiac disease, or immune deficiencies, etc.) are unable to attend Mass, their social and spiritual isolation is just as concerning as the virus. The parish staff is drafting a St. Mark's Parish Response to Coronavirus plan, which includes establishing home visitor teams. These teams will practice precautions as they visit the homes of those who are quarantined. Please consider volunteering for a team. Details will be sent early next week. The parish also needs healthy parishioners to pray in our Adoration Chapel. Many current adorers are elderly and will be unable to continue. Jesus still needs us in worship! Contact the Parish Office if you and your family are able to spend an hour in adoration each week (208-375-6651).

Finally, if you are unable to attend Mass, I want you to stay in spiritual relationship to your parish. Gather your family daily, pray, read the scriptures, and fellowship with each other in your home church. On Sundays, when Mass is being celebrated at St. Mark's, join us by praying, reading the Sunday scripture readings, and praying the prayer of spiritual communion:

My Jesus,

I believe that you are present in the most holy Sacrament.

I love you above all things and I desire to receive you into my soul.

Since I cannot at this moment receive you sacramentally, come at least into my heart.

I embrace you as if you were already there and unite myself wholly to you.

Never permit me to be separated from you.

Please know that I hold each of you in my prayers and heart. I ask that you pray for me and our parish as well. We all must pray for containment, healing, and recovery from the coronavirus.

May the light of Christ continue to shine into the future through our children!

Fr. Ben

Letter from the Principal

Dear St. Mark's Families,

Today marks the end of the third quarter! A reminder that report cards will be added to your child's electronic portfolio on Friday, March 20th.

Please be sure to read through Friday Facts as there have been a lot of changes and cancellations due to Coronavirus. The most recent cancellations include the Holy Spirit basketball tournament, the Mother-Son movie, and the Irish Dancers who were scheduled to perform at school on Tuesday.

Retirements

It is with both sadness and happiness that I announce that both Teri Souza and Anne Boesiger will retire at the end of this school year.

For 12 years, Teri has taught in our middle school. She has had a lasting impact on all of her students, our staff, and the community. She will begin her full-time job of being a grandma to her grandson this summer. It is Teri's hope to still be involved with the school.

After 16 years, Anne will retire and join her husband, who also has recently retired. Anne has played a crucial role in starting our Child First Team and is a master educator. Anne is also planning on being involved with the school in the coming years. Teri and Anne share a passion for teaching and a deep love for our students. They will be greatly missed!

Green-Out Day

Tuesday is St. Patrick's Day. For \$2.00 students may dress from head to toe in green. All monies raised will go to support the first annual 8th-grade spiritual retreat in May. Erin go Bragh!

Have a blessed weekend, and stay healthy.

Blessings, Donna Gordon

News

Planning for a School Closure

We have been working on contingency plans in case we are required to close the school. We are checking the <u>CDC</u> website and the <u>Idaho Department of Health and Welfare</u> daily for accurate, factual information as well as communicating with our parish and diocese. Sarah Quilici, our superintendent, informed us yesterday that we will close our school if the Boise School District decides to close its schools, or we have confirmed cases of COVID-19 at the school.

IF this happens, please allow us three days to get our virtual learning programs up and running. Teachers have already begun planning projects and lesson plans that can be completed at home. We have several resources that will enable us to accomplish this. Some of these resources include using computer-based programs such as Accelerated Reader, MyOn, Zearn, Khan Academy, and Formed. Again, we will need a few days for implementation and to communicate with you how this remote learning will occur.

Our plans do rely heavily on technology. Please let us know if you have technology needs at home. We are more than willing to loan out our Chrome books if necessary.

I ask for patience and prayers as new information is constantly being reported. We are truly dedicated to your children's health and education.

Traveling over Spring Break

Many of our families may be traveling out of the area for spring break. If you, or anyone in your immediate household travel to a highly exposed area please be extremely conservative on your returning to school. Please let the office know of a possible exposure.

The School Office is missing several door scan cards, mostly that have been given out to enter the middle school building. These cards are white hard plastic and have either a yellow or red yarn lanyard. If you have discovered a card in your laundry, pockets, coats, etc., please return to the School Office.

Due to the Coronavirus, Irish Dance of Idaho has cancelled their St. Patrick's Day performance at the school.
