

St. Mark's Catholic School Vision

St Mark's Catholic School is dedicated to educating student disciples in body, mind and spirit, through the collaboration of families, community and the Church.

Our Mission

St. Mark's Catholic School is a ministry of St. Mark's Catholic Community that fosters academic excellence, rooted in the Catholic faith, and Christian values.

Letter from our Pastor

"Behold the Lamb of God, behold Him who takes away the sins of the world". (John 1:29)

Dear families and friends of St. Mark's School,

We began the Spring semester at the start of this week, excited about all that we seek to accomplish and enjoy together during the second half of this academic year. The Fall semester was an inspired success, and we continue to recognize each other's efforts to share the light of Christ with everyone we meet each day.

It is fitting that the Spring semester begins with this coming Sunday's celebration of our Lord's baptism, which initiated the start of His public ministry. John the Baptist makes the declarative statement captured by John the Evangelist in his gospel account. Jesus is the Lamb of God. The Spring semester is centered on THE apex event of all of human history. Jesus' death and resurrection. This unparalleled event is true for all people of all cultures and eras. Jesus Christ, who is God become man (the Nativity celebrated at Christmas), will offer Himself as the paschal sacrifice, destroying death and opening the gates of heaven to all who will turn to Him as Lord and Savior. Every sacrifice of the Mass includes this declaration from John the Baptist. Its daily recitation in the Mass is intentional in orienting the conduct of our lives towards the one truth that impacts and unites all of humanity.

Let us continue to lift one another up, celebrating all that unites us, and seek to do His will in all areas of our lives. St. Mark's Church and School is beautifully responding to the needs of the greater Boise region, offering a place of reverence and formation, academic excellence, and the living witness of our Lord's presence among us.

Letter from our Principal

Dear St. Mark's Families,

Happy New Year! I pray your family enjoyed a joyful, memory-making holiday season.

We have had a wonderful first week of third quarter. Teachers began the week at Mass with Father Caleb, who then led a meaningful class on virtue. The remainder of Monday was spent collaborating and planning for the quarter ahead.

Report cards are now available for viewing in FACTS through your family portal. Should you have any questions or concerns, please reach out to your child's teacher.

Next week, students in grades one through five will begin MAP testing in Reading, Language Usage, and Math. Results will be shared with you at the end of the quarter. Teachers will use this data to monitor student growth and ensure students are on track to meet their spring goals.

January is a special month as we prepare to celebrate Catholic Schools Week at the end of the month. We have many fun activities planned as we celebrate the tremendous gift you give your children—the gift of a Catholic education. Throughout the week, we will also offer special prayer opportunities for families and celebrate Mass together with the six other Catholic schools in the valley.

Catholic Schools Week will kick off on Sunday, January 25th, with a Student Council-led Open House for prospective families. Please feel free to invite friends or family members whom you believe would be a wonderful addition to our St. Mark's family.

Thank you for your continued partnership and support. Together, we rise!

Peace,
Donna Gordon

Retirement Announcement

It is with grateful hearts and a touch of sadness that we share that Rena, "Mrs. Mini Van", and Bobbi, "Mrs. Recess", will be retiring at the end of this school year.

Rena has faithfully served St. Mark's for 28 years and began when her son was in 1st grade, and Bobbi joined our community 28 years ago when her son was in 4th grade, beginning her employment at St. Mark's in 2010. Together, their decades of love, dedication, and quiet service have shaped countless students and families.

Words cannot express how deeply they will be missed. Let's enjoy and cherish the rest of this school year with them, knowing that St. Mark's is better because of their remarkable service, and we are forever grateful.

As mentioned at Back-to-School Night, one way we can live out our theme "**Together We Rise**" is through open communication. To support this, we've introduced the Rise & Share Google Form.

Rise & Share Google Form

Here's how it works:

- If you have a question or concern and prefer to share it through the form, Mrs. Gordon will check responses every morning.
- If you'd like a reply, you can include your contact information, and Mrs. Gordon will respond as soon as possible.

Hello 2026 Eighth Grade Parents -

The yearbook is one of our favorite school traditions! Students anticipate reliving the school year through candid photos, student portraits, and event highlights. In just a few months, your child will be bursting with excitement to review the

yearbook! Our yearbook staff is hard at work creating this memorable book, and we have two unique sections dedicated to 8th graders!

Following the tradition of past years, we would like to include a **baby picture** of your 8th grader. Please submit a baby picture of your child to Mrs. Schuette (nschuette@stmarksschoolboise.com) no later than **Friday, February 6th**. This can be done by scanning the baby picture or taking a clear photo of it before emailing. If you are unable to scan or email, feel free to send in an actual baby photo to school. We will return the photo to you when we are finished with our baby picture pages. Please label the photo.

The other tradition of past years is creating a **Personal Display of Affection (PDA)** or ad for your 8th grader. This is a way to support our school and recognize your child as they are about to graduate. This is completely optional, but imagine the surprise when your child finds a personal message from you!

Jostens is our yearbook company this year. If you would like to place an ad for your child, you will create your ad through their website. Their program is very user-friendly. Payment for PDA ads is also done exclusively through Jostens.

We have included ordering instructions below. Previous yearbooks are available in the school office for your viewing if you would like to see examples of PDA ads. All PDA submissions must be received no later than **Friday, February 6th**.

Thank you for supporting our school! If you have any questions, please contact our yearbook advisors, Mrs. Schuette (nschuette@stmarksschoolboise.com) or Mrs. Lynch (slynch@stmarksschoolboise.com).

INFORMATION KNIGHT

**MONDAY, JANUARY 26TH, 2026
BEGINNING AT 6:30 PM
IN THE CARLEY CENTER AT BISHOP KELLY**

Information Knight is a fun and informative evening for any interested students who will be entering the 9th – 11th grades in the fall of 2026. The night begins in the Carley Athletic Center with a brief presentation about our school. From there, prospective students and their families will be introduced to current seniors, who will lead small group tours of the school. On the tour, participants will have the opportunity to hear from teachers in each department. The evening concludes with an activity fair where students can learn about the many ways to get involved at BK.

Notes from the Counselor

Dear Parents,

In the month of January, I will be going into all classrooms to teach our *Circle of Grace* curriculum. This is a safe environment curriculum for children and young people that we are required by the Archdiocese to

teach. Below is a bit more information regarding this curriculum.

Out of concern for all God's people and in response to the United States Conference of Catholic Bishops' Charter for the Protection of Children and Young People, we have a program for the safe environment education of children and young people.

Diocese/eparchies will establish 'safe environment' programs. They will cooperate with parents, civil authorities, educators, and community organizations to provide education and training for children, youth, parents, ministers, educators, and others about ways to make and maintain a safe environment for children. Dioceses/eparchies will make clear to clergy and members of the community the standards of conduct for clergy and other persons in positions of trust with regard to sexual abuse. Article 12 – Charter for the Protection of Children and Young People

This program is called *Circle of Grace*. It is meant to supplement and be integrated into the excellent programs and curricula for the formation of children and young people in our schools and religious education programs. *Circle of Grace* aims to equip our children and young people by arming them with essential knowledge and skills grounded in the richness of our faith. This program helps children and young people to understand their own (and other's) dignity in mind, body, and spirit.

What is a Circle of Grace?

The Catholic Church teaches that God has created each of us as unique and special. Genesis 1:27 tells us that we are created "male and female in God's image" and that God saw this as "very good." In that goodness, we are meant to respect ourselves and everyone else as persons created and loved by God.

Adults assist children and young people to recognize God's love by helping them to understand that each of us lives and moves in a Circle of Grace. You can imagine your own Circle of Grace by putting your arms above your head then circle down in front of your body including side to side. This circle, front to back, holds who you are in your body and through your senses. It holds your very essence in mind, heart, soul, and sexuality.

Why is it important to help our children understand the Circle of Grace?

God intends our relationships in life to be experiences of divine love. Respectful, nurturing, loving relationships increase our understanding of our own value and help us to love others. It is never too early to help children and young people understand how very special they are and how relationships in life are called to be sacred. Understanding this can help them to protect the special person they are and to be respectful of others.

Adults, especially parents, as they strive to provide a safe and protective environment, hold the responsibility to help children and young people understand and respect their own dignity and that of others. A truly safe and protective environment is one where children and young people recognize when they are safe or unsafe and know how to bring their concerns, fears, and uncertainties to the trusted adults in their lives.

How is the Circle of Grace Program different from other protection programs?

According to research, one in four girls and one in seven boys will be sexually abused by age eighteen. Many protection programs focus on "stranger danger"; however, up to ninety percent (90%) of the time the perpetrator of abuse is known to the child or young person such as a relative or family friend. Circle of Grace goes beyond just protection by helping children and young people understand the sacredness of who they are and how to seek help through their relationships with trusted adults.

Please feel free to contact me if you have questions or would like any further information.
