

# Quick Guide for Google Classroom

## YOU'VE GOT ACCESS!!

Your teacher has granted you access as a parent guardian. There might be confusion. It might seem that you will "see" your child's account/assignments/links, and be able to interact, etc. That is not so. The only thing it really does for a guardian, is grant access to receive notifications from your child's account.

## WHAT IT LOOKS LIKE

## TO ACCESS THEIR ACCOUNTS:
