

“Parents have the first responsibility for the education of their children.”

~Catholic Catechism (2223)

As parents, we are the primary educators of the faith for our children. The Our Divine Savior Parish staff and community understand that this is a great responsibility. We will help parents build their domestic church through resources, support and education of our Catholic faith.

When you enroll your child in Religious Education and Sacrament Preparation classes at Our Divine Savior you also enroll your family. Parents will receive support to grow in understanding of our Catholic faith and live a Sacramental life. We encourage all families to give their best effort to:

- † attend Mass every week with their children. Mass attendance is an essential part of our faith and Catholics should not lightly excuse themselves from the opportunity to participate in the Sacrament of the Eucharist.
- † teach my child to pray by praying daily with my child.
- † attend all parent meetings or send a responsible representative in my place.
- † bring my child to class regularly and on time.
- † participate in the Sacrament of Reconciliation at least once this year.

_____ I am interested in helping in the classroom as a teacher, helper, or substitute

_____ I would like information about Adult Faith Formation opportunities

_____ I would like information about other Parish ministries ie: Lector, Eucharistic Minister, Usher, RCIA team, Choir, Altar Servers, etc.

Please sign for permission to photograph your child and hang photos in class and church.
