

Goodness:

You will never be sorry –

for thinking before acting,
for a hearing before judging,
for forgiving your enemies,
for being sincere and honest,
for being honest in business,
helping a fallen brother and sisters,
for thinking before speaking,
for being loyal to your church,
for standing by your principles,
for stopping your ears to gossip,
for restraining a slanderous tongue,
for cherishing only pure thoughts,
for sympathizing with the afflicted,
for being courteous and kind to all.
