

Little Angels Program Plan

Mission Statement: We are a school readiness program focused on faith and service which nurtures the whole child embracing individual talents and abilities in a welcoming, caring, and safe environment.

Little Angels:

- Provides a safe and secure environment for its students.
- Supervises students at all times with a student teacher ratio of no more than 10 students per adult supervisor ensuring their environment is developmentally appropriate, safe and secure.
- Serves students from ages 3 to 5 years of age
- Is open half days
- Strives for small class sizes with a loving, family environment for its students to develop in.
- Instills Christian values with the support of parents, volunteers, and staff. We encourage strong academics while making learning fun.
- Strives to ensure that each student feels valued for who they are, while respecting others.
- Informs parents of their child's intellectual, physical, social, and emotional progress through the use of student progress reports, quarterly assessments, parent-teacher conferences and newsletters.
- Provides a variety of fine and gross motor activities, materials and equipment to use as they wish.
- Provides a well balanced program which may include technology, music, and physical education.
- Part of a K-6 school which allows for big partner-little partner experiences, shared assemblies and events.

The teacher:

- Provides a variety of large and small group activities to all students.
- Allows ample free time to play, socialize, or enjoy quiet time.
- Utilizes large group and small group settings with various hands on activities throughout the day.
- Endeavors to use a variety of age appropriate activities, while striving to relate lessons to the diversity of each child's everyday life and cultural background.
- Ensures children are ready for kindergarten.
