

Hello everyone!

I hope you are well and staying safe at home. If you are ill, I pray for your speedy recovery. Yes, times are different with the COVID-19 regulations so with that in mind, we need to plan differently for the upcoming Holy Week. The regulations from the government as well as from the Archdiocese are getting more and more strict, and while we had hoped to distribute palms in a drive-thru process, that process would not meet these regulations so we will not be doing that. Your health and safety is our priority. So as we begin Holy Week, this Palm Sunday, we ask you to do something at home. You can put palm branches on the front door of your homes in solidarity and prayer. If you don't have any palms available, maybe put up a red bow. Mass will be livestreamed at 9:45 am in Spanish and 11:30 am in English on Facebook. Adoration of the Blessed Sacrament will follow the 11:30 Mass. We will be providing you more information early next week regarding the Masses and other liturgical celebrations for the Triduum. Until then, stay well and God bless.
