

FAMILY PHOTOS

REQUESTED:

I read about a pastor in another state who asked his parishioners to email him a photo of their family. He gathered all of these photos and posted them in his chapel so that when he celebrated Mass, his parishioners were with him. I would love to do that! I will put all your photos in a binder to have with me at Mass. If you can, please email me one family photo to parish@stmariana.org. Include everyone's

name please. Thank you.
