A grieving person can join at any time during the 13 weeks. The session shows a video presentation followed by small group discussion about the video. The GriefShare videos present experts,

ministers, and Christian counselors discussing grief and recovery subjects helpful to people in grief. Real people share their stories of what has helped them deal with the pain of losing a family member or friend through death. During the week between meetings, group members complete a daily Bible study and practical exercises to help them heal from grief. GriefShare is for people who have lost a spouse, child, family member, or friend through death. You can find out more information about our series by going to our website under the family life ministry tab. The series began Monday, February 12, 2024.
