August 15, 2019

Greetings!

Welcome to the 2019-2020 school year! We had a fantastic start to the year. Our Open House was a success. Many families were in attendance. It is evident that there is a strong commitment to the St. James Community. Our first day of school went well. Students seemed very engaged and enjoyed catching up with each other.

As I transition to this role, I am very grateful for everyone that has helped me. I am especially thankful for our staff. They have poured their hearts into preparing for the start of the year. They are dedicated staff that have the best interests of our students in all they do everyday. With everyone's efforts, I am confident that we will have a productive year centered around Christ's teachings. Let's make it a great school year!!
