

My Dear Friends,

With open arms I welcome you to the 2020-21 Christian Formation Family Program!

Thank you for your patience as we get the program year started. With all the changes and uncertainty surrounding the school year, it was important to give families time to ease into the adjustment of continued life in a pandemic. I'm so very excited to present this year's program to you, in which I pray you will find great meaning and connection.

Here are the important things to know about this year's Family Program:

Faith In your Shared Home

- You will have the choice to meet either **in person (Face to Face – F2F)** or **virtually (Eye to Eye – E2E)**
- There are two parts of the program:
 - **Individual Family Catechesis** once a month with Program Director, Mary Sue Reutebuch, customized to the spiritual needs of your family.
 - **Children's Lessons** once a month with your child's grade level and catechist. Second grade sacramental preparation will take place during this time as well.
- Programs will run **November through June**, and class times and days of the week are based on your choice of F2F or E2E. Please see the attached schedule for dates.
- **Individual Family Catechesis** is available **Saturday mornings and afternoons, as well as Monday and Wednesday evenings**. You will have the ability to sign up for your monthly session date and time via SignUp Genius link, which will be sent following your registration in the program.
- **Children's Lessons** will take place on **Sunday mornings or Tuesday evenings**.

Please take a few moments to look over the schedule, further program information, and registration forms. Please submit your registration forms within the next two weeks to help us plan class sizes accordingly. **New this year** – you may also complete your registration electronically by sending your completed forms to jvanderhoef@scsjcluster.org and submitting your payment on our website: <https://scsjcluster.weshareonline.org/>.

If you have any questions regarding the program, I welcome your call or email.

In Faith,

Mary Sue Reutebuch, Director of Christian Formation
