

If you are having any problems connecting to Zoom...here's a quick lesson. Your screen content may vary from these instructions.

Download Zoom App to your phone or computer. (It's free)

<https://zoom.us/download>

- * Download from the 'Zoom Client for Meetings' section
- * You should not need to set up a Zoom account
- * After the App is installed you are ready to join the seminar

Connect to the Zoom Seminar

- * Go to your email meeting invitation, note the seminar password, click on Zoom link
- * Click next on the 'Open Zoom Meetings' in small window
- * Click next on 'Join with Computer Audio'
