January 24, 2018

Dear Families,

On Sunday, January 28 from 12:30-2:30 we will host Family and Friends Open House. You are invited and encouraged to invite your friends, family, and neighbors to join us for this event when the children will be leading activities for their guests in their classrooms. Last week we sent home a form asking families to identify which Mass you will attend to start Catholic Schools Week. I ask that all students wear uniforms to Mass and to the Open House as they will hold special roles and will be leading tours. As I am asking students to wear uniforms that Sunday, I have updated our special dress schedule for Catholic Schools Week.

Please see the quick notes version of the Catholic Schools Week schedule in today's paper envelope to help with reminding of special events and special dress for the day next week. The children will receive daily reminder slips to help with remembering what to wear each day and a Remind text message will be sent for all that signed up to receive these school notifications. We are so excited for the fun week ahead!

After a week full of Catholic Schools Week celebration through service, we will then be ending the week with a huge community favorite, our school carnival! Emails have been sent seeking your help and I thank you all very much for responding and helping prepare for this amazing event. Remember to invite your friends to join us for this great, community event. Enjoy this photo of Mrs. Fischer and Mr. DeByl graciously giving their time and sharing their talents to make balloon animals for our carnival-goers last year!

Please notice that next week Friday is also an early release day. The afternoon is set aside for time for you to conference with your children's teachers. Please contact the school office to schedule a conference time to discuss your child's progress. Second quarter report cards will be sent home next week Wednesday.

Right after our Catholic Schools Week we will celebrate Mardi Gras before Lent begins. The event supports our mission at St. Joan of Arc Parish. Please buy your raffle tickets and join us for dinner and a great time while supporting our church.

As we begin to prepare ourselves for our school play, which will be presented in April, we are looking to begin gathering materials for our sets and scenery. One of the first items we are seeking is tissue paper. If you have tissue paper of any color lying around, we would very much appreciate you gifting it to us.

As we get set to begin Catholic Schools Week this weekend, I want to thank you all so very much for the opportunity to educate your children. I also wish to thank you for all of the ways you help and serve our community at St. Joan of Arc Parish and School. We feel blessed by all of you.

With gratitude, Mrs. Holly Cerveney, Principal

-Go into the actual event and click on 'Invite Friends' – Then go through and individually invite your friends that would be interested, in order to ensure they see what we have going on.

If you are a part of any special groups or Moms groups, let us know so we can organize and help support sharing about St. Joan of Arc.

Student Ambassador Corner

The 3rd-8th grade student ambassadors, The Knights in Shining Armor, met this week to discuss how to give a school tour.

We again practiced how to introduce ourselves to guests and what kinds of things we talk about as we give a tour through the school building.

We look forward to these student ambassadors having the opportunity to show off their new skills!

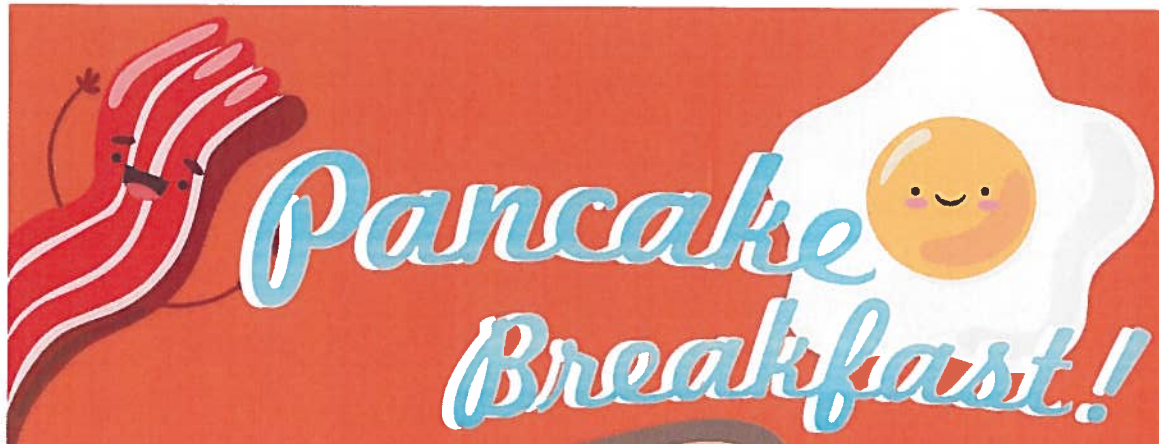

Are YOU smarter than a Catholic school student?

Last week: The term for a division of the church led by a bishop is a diocese.

This week's question: Which of these is NOT a Fruit of the Spirit: Goodness, Patience, Wisdom, or Love?

Congratulations to our FROG Award winner: Matson Hunter, Alaina Kwiatkowski, and Boston Oberst!

January 2018

Dear Catholic School Parents,

The theme of this year's Catholic Schools Week celebration is "Catholic Schools: Learn. Serve. Lead. Succeed." It encompasses the core values that can be found in Catholic schools across the nation. Not only are we teaching students to become future servant leaders, faith-filled disciples and enriched citizens in our communities, educators are growing with them. In Catholic schools, we are all learners, servants and leaders. These shared qualities are what make Catholic schools work. They are what make Catholic schools succeed and it is a reason why many families make sacrifices to provide their children with a Catholic education.

As parents, you have made the decision to send your child to a Catholic school. Your decision reflects a family commitment to a quality education that embraces the whole student. In a Catholic school, Christ is the reason for the school and His presence guides instruction in all academic areas. I invite you to join the Catholic Schools Week celebration as we recognize the tradition of excellence in schools throughout the Archdiocese of Milwaukee.

Thank you for making Catholic education a priority in your child's life. Our Catholic schools are part of our future as a Church and as a nation. May God bless them and all the important work our teachers and staff in our Catholic schools in southeastern Wisconsin.

Have a blessed Catholic Schools week!

With assurance of prayers for you and your family, I am,

Sincerely yours in Christ,

Most Reverend Jerome E. Listecki
Archbishop of Milwaukee
