

The St. Joan of Arc Wednesday News

Character † Academic Excellence † Service † Spiritual Development

January 31, 2018

Dear Families,

We are having a great time serving others at St. Joan of Arc Parish School this week! So far, the students have served our local community through decorating socks for children in Children's Hospital, served their peers in the school through hosting one another, and served our nation by decorating bags to fill with gloves and blankets to send to those at Pine Ridge Reservation in South Dakota. This afternoon, our 7th and 8th graders will face-off against members of our faculty in our annual tradition, the students vs faculty volleyball game. Tomorrow the week will continue with BADGE Day, when students will learn about a saint or other hero that s/he would like to emulate and wear his/her name for the day, then Friday we will attend Mass as a school community and make thank you gifts for those that serve our church and school. Please enjoy some photos of the week so far on the next page of today's newsletter.

Last week Friday we held the school level competition for the National Geographic Bee. Students participated in preliminary bees in the classrooms and the top 10 students participated in the School Bee. The students that participated were Cameron Krieser, Sydney Menting, Peter Miller, Alex Dill, Lindsey Heinzl, Tyler Kwiatkowski, Owen Flint, Alaina Kwiatkowski, Dylan Korsmo, and Anne Straka. The school level competition led us to our school champion, who will take a qualifying test to potentially participate in the State Bee. Our 3rd place finisher was Anne Straka, 2nd place Alex Dill, and 1st place Dylan Korsmo. Congratulations to all and good luck to Dylan on his state qualifying test! Here is a photo of Dylan right after winning the bee.

After a week full of Catholic Schools Week celebration through service, we will then be ending the week with our school carnival! Please join us on Friday from 5-8 p.m. for an evening of fun and fellowship! Please notice that Friday is also an early release day with an 11:35 a.m. dismissal time. Please let Mrs. Andersen know if you will be using after care that day. Second quarter report cards are sent home in today's paper folder. Friday afternoon is set aside for you to communicate with your child's teacher regarding second quarter progress. Please contact your child's teacher to schedule a time.

Right after our Catholic Schools Week we will celebrate Mardi Gras before Lent begins. The event supports our mission at St. Joan of Arc Parish. Please buy your raffle tickets and join us for dinner and a great time while supporting our church. Our St. Joan of Arc Mardi Gras celebration will be next week Friday, Feb. 9.

As we begin to prepare ourselves for our school play, which will be presented in April, we are looking to begin gathering materials for our sets and scenery. One of the first items we are seeking is tissue paper. If you have tissue paper of any color lying around, we would very much appreciate you gifting it to us. Please bring any donations of tissue paper to the school office. Check out this pic of some of our students during play rehearsal.

Warm Blessings! Mrs. Holly Cerveny, Principal

What's the Good News?

Did you know that in the last week we have been featured in 3 different newspapers? St. Joan of Arc's celebration of Catholic Schools Week was featured in the Waukesha Freeman and the Oconomowoc Enterprise. Our carnival is also listed in Lake Country Now and we will be welcoming a photographer from Lake Country Now during the carnival Friday evening.

St. Joan of Arc Parish School is also up for a Hulafrog Favorite Preschool Award on Facebook. Go to our school Facebook page and find the link to vote for our school, then share to invite others to vote for us as well.

Students in Mrs. McEvoy's homeroom welcomed Mr. O's class during HAATS Day. The children got creative with their crazy hats and had a great time while learning to welcome others as Jesus did.

Rye Hunter works on her decoration of a pair of socks that will be given to a child at Children's Hospital. Students heard about things that might bring children comfort when staying in the hospital for extended periods of time during their Knights of the Round Table on Monday afternoon.

Student Ambassador Corner

The student ambassadors did an absolutely marvelous job on Sunday welcoming guests and giving tours of our school.

I could not be more proud of the job the students did. Please join me in congratulating them on a job very well done!

Are YOU smarter than a Catholic school student?

Last week: Wisdom is not a Fruit of the Spirit, but a Gift of the Spirit.

This week's question: At Mass, we read from the Old Testament. What do we call the first 5 books of the Bible?

Congratulations to our FROG Award winner: Avery Cox, Catherine Martin, Noah Nicloy, and Matson Hunter!
