May 2, 2018

Dear Families,

As I have been sharing for the last couple of weeks, our school and parish 2nd graders were received First Communion over the last couple of weekends. We are so excited that we will celebrate First Communion with all of our school 2nd graders together on May 4th during school liturgy. Second graders are invited to wear their First Communion attire for this Liturgy and then change after Mass. Second graders also then share a special time after First Communion. In addition to First Communion, we will also have May Crowning, during which the students will crown the images of Mary. Please join us for Mass to celebrate our 2nd graders and to honor Mary for the month of May!

Now that the weather has finally warmed up, we are very excited to be able to have the students begin on working on activities with our garden. This week, students had the chance to begin seeding some plants with our garden volunteers, Mrs. Connie Holzmilller and Mrs. Kathie Leemon. This is such great learning for the children and it is a wonderful opportunity for them to get involved in this ministry. Check out this picture of our students digging in the dirt getting ready to start some planting.

In addition to garden activities, May has brought in the season that shorts are now acceptable to wear with our uniforms. I want to remind you all that shorts may not be worn on Fridays for Mass, but they are acceptable with the uniform all other days.

Coming up this month, our teachers are beginning to organize the school talent show. The show will be at the end of May and will take place during the school day. We are planning to hold the show in the gym on Friday, May 30 at approximately 2 p.m. The time will be confirmed when we are sure of the number of acts that will perform. Please talk to your child about putting an act together and have the form from today's newsletter turned in to Mrs. McEvoy or to the school office. We are eager to see the students showcase their talent in this year's show!

In addition to the talent show form, in today's newsletter, those that need to attend a session or update Safeguarding training will receive information in today's paper envelope. With a couple of big field trips ahead, this is a great time to take care of this if you have not already.

As we head into this weekend, we will begin National Nurses Week. We are very fortunate at St. Joan of Arc Parish School to be served by Joan Johnson, Volunteer School Nurse. Thank you, Nurse Johnson, for all you do!

Easter Blessings! Mrs. Holly Cerveny, Principal

## Strategic Plan News

Thank you to all that were able to join us last week for the middle school students' first day of their small business, Coffee and Chill. The students sold approximately 25 cups of coffee and we had a group of toddlers join us for the open gym time. The students are eager for tomorrow's session and to try to add to the environment they have established. Please try to join us if you can. Coffee should be ready at around 7:30 and though we officially open at 8, the business owners are glad to serve you a cup as soon as the coffee is ready. The students' coffee shop was featured in an article in The Milwaukee Journal-Sentinel online. Check out the link on our school Facebook page.

Since last week, we have had another family register for 4K for the 2018-19 school year and we have an additional verbal commitment. We also have a student coming to shadow later this week.

### About Student Ambassadors

**By Cameron Krieser, Student Ambassador**

In Student Ambassadors you're specialized to be a role model. One of the ways we were taught to be a role model is by learning the Knight's Code.

I think it is a good idea to be a Student Ambassador because it makes you special and it makes you a role model. When you follow the Knight's Code you are a true St. Joan of Arc Student Ambassador.

### ***Are YOU smarter than a Catholic school student?***

Last week: We honor Mary in the month of May.

This week's question: How many days did Jesus remain on Earth after his resurrection?

**Congratulations to our FROG Award winners: Molly Flint, Luke Krieser, Rocco Ranieri, and Louella Vanderhoef!**

# Coffee and Chill

By our 7th and 8th grade entrepreneurs

Coffee and Chill, our class's small business, has come a long way over the course of a few weeks. Coffee and Chill started as a way for the parents of SJOA and the community to mingle and "chill."

In class, we learn about entrepreneurialism. We also learned about calculating prices for the coffee house, marketing, creating an environment for customers, and the importance of working together to create something cool.

We started the "Coffee and Chill" Coffee House to both learn about running a small business and to give back to the community. All proceeds from our business are going to support parish outreach programs. One of the programs we learned about is Zachariah's Acres. Zachariah's Acres exists to "connect children with special health care needs to the miracles of nature so they may know their Creator." It is located in Oconomowoc, WI. Other parish outreach programs include Family Promise and St. Vincent de Paul.

The first week of the coffee house went very well. We made \$50 and have high hopes for next week. The first week's proceeds covered our startup costs for coffee and supplies. We are excited to add new things next week, including a lounge area. If you have any suggestions contact Mrs. Cerveney or Alex Dill, Tyler Kwiatkowski, Owen Flint, and Lindsey Heinzl.

\*Coffee and Chill will be open in conjunction with a toddler open gym each Thursday through the end of May from 8-10 a.m.
