June 6, 2018

Dear Families,

Can you believe that Friday is our last day of school for the year?!? We will have a morning filled with activities, a hot dog lunch for all children provided by the school, and we will conclude with the final blessing at 12:30. This is something not to be missed! All students will be dismissed for the school year at the conclusion of the final blessing and there is no after care that day. We will then come back together at school for an end-of-year picnic at 5 p.m. I am still in need of cleanup help after the picnic. Please let me know if you are able to help with cleanup.

Once school lets out for the year, we are looking to continue the fun and to build connections with our Tuesday night family playground parties. There is a flier in today's newsletter with all dates. This is a great time to stay connected with one another during the summer and to invite others from our community to come and check us out. Please see the flier and feel free to check in with any questions you may have. We hope many of you join us on the playground for these evenings this summer!

Next week we will hold Vacation Bible School at St. Joan of Arc. We are very excited that we will welcome a good sized group to pray and play together as we grow in God's love and build up the body of Christ. This year, all activities are based around our title, "Playing on God's Team, God's Way." Registration forms are available in the school office.

Thank you so much to all that have already returned tuition contracts and information for next year. Your early submission of these materials is so helpful! The first payments and \$75 per child supply fee for next school year are due August 15.

Summer Blessings! Mrs. Holly Cerveney, Principal
