September 26, 2018

Dear Families,

Thank you to all that are signed up to golf, dine, or help with our 20th Annual Golf Outing! We had a great turnout and beautiful, fall weather for our event that supports athletics for our school students and our children in CF from SJOA and SCA! Alumni and alumni families returned to help and to golf, parishioners and school families got in on the action as well. Thank you so much to all and we look forward to next year's event! To the right, check out a member of our alumni, Rachael Chupka, who even put on her old uniform while she worked to get into the spirit for the event!

Tonight is our first Parent Education Night, Learning Your Child's Love Languages. We are eager for the evening's presentation, which begins at 6:30. Next Wednesday we will welcome a guest speaker for a Parent Education Night called Awakening to the Dangers of Cyber Space. This session is open to all, though particularly beneficial for the parents of older children. Please see the fliers for these nights in your Wednesday letter and let us know if you are planning to attend.

While it is a ways out, I want to make sure to draw your attention to Grandparents' Day, which will be held on Friday, October 26. That date is an early release day and we have a wonderful morning with Mass, continental breakfast, classroom visits, and a talent/variety show planned for the morning. If you have out-of-town grandparents, please ask them to mark their calendars and save the date now. So far, we have two acts registered for our variety/talent show. We need to have at least 10 acts for the show to run. Please talk to your children about putting together an act and joining in the fun!

Beginning the week of October 8, I will start to meet with our Student Ambassadors group for the school year. If your child is in grades 1-8 and interested in leadership and hospitality training and in serving our church and school, please let me know and I will add them to our list of Student Ambassadors. If your child was an Ambassador last year, no need to sign up. They are all set!

Watch your mailboxes for your invitation to our annual school fundraiser, Boots and Bling. Save the date and plan to attend this evening of great fun while supporting our amazing Catholic school. Please also consider helping or donating to the event. We are in need of help with procurement and with night-of work. Please also consider putting together a basket or offering a service for auction. We also need donations of gift cards, bottles of wine/alcohol for the hoopla game, and more. Please email me if you can help with any of the above items for this wonderful event, or if you need ideas for donations.

God's Blessings! Mrs. Holly Cerveney, Principal

Every child has a unique way of feeling loved. When you discover your child's love language - and how to speak it - you can grow and deepen your relationship with your child. Not just for now, but for years to come!

**FACILITATOR-  
ERIC  
SZATKOWSKI**

For more than 16 years, since the beginning of online child exploitation confronting our country, Eric Szatkowski has earned a reputation as one of the top officers in the nation in apprehending sexual predators who use the Internet and/or cell phones to exploit children. Now, as a retired Special Agent, Eric focuses on cyber safety through dynamic presentations for a variety of audiences.

Eric's presentations inspired the drafting and passage of new legislation in 2006, Wisconsin Assembly Bill 942. This law significantly increased the levels of felonies for online child exploitation, increased maximum prison penalties, and implemented presumptive minimum prison terms for online predators.

In 2014, he was also awarded a Masters Degree in Christian Doctrine from the Graduate School of Theology at Marquette University. Eric is currently a part-time chaplain at Children's Hospital and Ascension Health Care in Milwaukee.
