The St. Joan of Arc Wednesday News

April 27, 2022

Dear School Families,

Happy Easter! I hope you all enjoyed the days off and you return refreshed and energized for the final 7 weeks of the school year.

This past Saturday, two of our second graders celebrated First Communion. This coming weekend, the remaining second graders will celebrate the sacrament during the different Masses. Please consider joining us for Mass to celebrate with our second graders and please pray for them as they celebrate these special days!

Speaking of First Communion, next week Thursday, May 5, our second graders will be celebrated at our school liturgy. They will be invited to wear their communion attire (please send to school for the children to change clothes) during this Mass which will be held that day at 1 pm. It will be wonderful to welcome our second graders to the table with their schoolmates for the first time.

Tomorrow our school will celebrate liturgy as a whole school led by our 5th and 6th graders. Please feel free to join us as we celebrate Easter as a school community at this liturgy at 1:30 pm.

We are clean out of snacks for students that participate in the play. Because there is no cost for play participation, we do not have a budget for play snacks. Please plan to send your child with a snack for play practices and consider making a donation of snacks to share so we are able to offer snacks for those that participate. All these snacks need to be nut free.

Next week Friday, we will finally have High Interest Day! The kids are looking forward to the day and so are we! A huge thank you to all that are giving of their time leading sessions and to Kathryn Ullman for organizing the day. Kathryn is looking for someone to assist with High Interest Day organization for the future. Please let me or her know if you are interested in learning more.

Speaking of High Interest Day, we are in need of cardboard for projects for the day. If you are able to send cardboard, please send it to school, preferable bound together with twine.

Though it may seem early to be planning for the end of the year, the rest of the school year is going to fly by! As such, I want to draw your attention to a few dates that are coming up:

Our play will be held on May 19 at 9 am, 20th at 6:30 pm, and 21st at 2 pm. The May 19 show will be a dress rehearsal performance for area daycares. We have already received responses for this performance and are excited to share the show! Mark your calendar for these performances.

Because of the timing of our play, we are going to be taking a different format for our Spring Concert. The concert will be virtual and the link will be shared with all of you around Memorial Day. The concert will be featuring songs from or inspired by our school play and will include interviews with show participants and cast members. We will be recording the show on May 24.

For the families of our 8th graders, graduation will be at 6:30 on June 3. The last day of school for the 8th graders is Thursday, June 2. The school prayer for the graduates will be on Thursday, June 2 at around 1:30 (I will finalize the time coming up in the next week or two). We will be taking 8th grade group and individual portraits on May 16 with May 18 being a back up date in the event of a rainout. The 8th graders are welcome to dress up for these photos. As you prepare for graduation, remember that graduation is with Mass, so collared shirts, dress pants, and dresses are appropriate. No shorts, please. More graduation information will continue to come along with the opportunity to purchase a "Grad Ad" for our yearbook. Check your Wednesday paper folder today for information on ordering grad ads as well as yearbooks.

We are also looking forward to a coming whole school field trip on Wednesday, June 8. Though they will have graduated and do not come to school the week of June 6-10, the 8th grade is invited to join us for the field trip if they would choose to do so. Our school will be going to the Milwaukee County Zoo. We look forward to bringing back this annual end-of-year tradition field trip. Permission forms will go home in the Wednesday newsletter next week as will information about opportunities to chaperone. Please be aware that in order to chaperone, you must complete Safeguarding training.

We will have a couple of special presentations by classes coming up in May and early June as well. Our middle school science fair will be Friday, May 27. More detail on the times for the science fair will come from the students' teachers. Also, on June 3 Mr. O's class will present their Wisconsin Wax Museum. Students and parents will be welcome to come enjoy these presentations on famous individuals with roots in Wisconsin. We will share more info on times as the day draws nearer.

Seven full weeks ahead and we are excited to enjoy all of these days with the students.

Easter Blessings, Mrs. Holly Cerveny, Principal
