

Wednesday Ecumenical Lenten Services

Wednesday, February 21, 7:00 PM is the first in this year's series of annual Ecumenical Lenten Services held at the churches in our area's Ecumenical group. We are blessed with a great group of church congregations and clergy that enjoy getting together to share part of their Lenten journey with each other. If you've never taken part in our Wednesday services, make a point of coming to one or more of them this year. It's a wonderful way to slow down, step out of the busyness of the week, and spend some time in prayer during Lent. Each service is about 45 minutes long, and is followed by food and fellowship.
