Our Lady of the Rosary Mission Statement

We, the Parish of Our Lady of the Rosary, are a pilgrim church. Under the mantle of the Blessed Virgin Mary, we grow as a people of God following Jesus, celebrating the Eucharist, living apostolic service, continuing faith formation and Marian devotions. We strive to bring the joy of the gospel and imitate Jesus through compassion, mercy and love, especially for the poor and marginalized. We seek to be faithful stewards providing a heart and home for all.

We Welcome All Visitors to Our Celebration

While Holy Communion may only be received by prepared Catholics, for our non-Catholic guests you are welcome to join the line to walk towards the priest or deacon to receive a special blessing: Simply cross your arms over your chest to receive a blessing.

Eucharistic Adoration at OLR Your time will be rewarded

Our Lady of the Rosary church established a small adoration chapel to allow you to spend more time with Jesus in the Eucharist. Commitments for adoration begin at, but not limited to, one hour per week. Adoration chapels are a great blessing for parishes and it is a way for you to enter more deeply into your faith. The best starting point to become more Christ-like in your daily life is to spend more time with him. You will gradually be transformed and experience unexpected blessings. Sign up at parish office.

On November 23rd, 2017 join 7,500+ participants and spectators in Balboa Park for the 16th Annual Thanksgiving Day 5K, presented by AimLoan.com! The turkey trot begins at 7:30am! San Diego has the country's 4th largest homeless population, and also is tied for the lowest vacancy rates in the country. The result is that too many of our neighbors are being pushed to life on the streets. This lifestyle does not allow our neighbors to meet their full potential.

Thanksgiving Day 5K is not only the most fun turkey trot in town, it also generates awareness and funds to help support Father Joe's Villages' efforts to provide and serve close to 1 Million Meals each year! SIGN UP TODAY - thanksgivingrun.org

Background of the Liturgy DEDICATION OF THE LATERAN BASILICA

The physical center of our life in Christ is the church building. It is nothing but stone or brick or wood, but it is the place where we encounter the Lord in his sacraments. We are born into Christ's Body there; we are nourished with his Body and Blood there; we offer perfect praise to our Father through Jesus Christ there; we are cleansed of our sins there; we are married there or ordained there; and our bodies are brought there after our death to be honored and then to be buried to await the resurrection.

"St. John Lateran" is a misnomer. The real name of this church is the "Cathedral of the Most Holy Savior." It is the pope's Cathedral in Rome. When the Emperor Constantine gave the Church freedom in the Fourth Century, he gave the pope the property which had belonged to the Laterani family. The popes lived in the Lateran palace for a thousand years (until they moved to Avignon).

Next door he built the Cathedral. It became the baptismal Church of ancient Rome. Though Rome had many churches, everyone was baptized here. The magnificent baptistery (larger than most churches in the United States) was dedicated to St. John the Baptist. Thus many people began calling the church after the family and after the baptistery: Thus the misnomer "St. John Lateran"!

Pope Sylvester I dedicated this Cathedral basilica on this date in 324 A.D. On the porch of the basilica is an inscription: "The sacred Lateran basilica which is the mother and head of all the Churches throughout the entire world."

The readings: The first reading from Ezekiel, a prophet during the Babylonian exile, describes water flowing from the temple at Jerusalem. This passage concerns part of the vision the prophet had of the restoration of the temple after the return of the Israelites from exile.

The sacred waters have miraculous effects. From a trickle, it becomes a torrent. It flows east out of the temple and into the Dead Sea, making the salty waters sweet such that they will team with life. The sacred waters give life to the land and "dead" waters. This is a symbol of baptism and calls to mind the place of the

basilica as the site of baptism in ancient Rome.

The second reading from Paul's First Letter to the Corinthians tells us that we, ourselves, are really God's building. As an Apostle; Paul lays the foundation, which is the Gospel of Jesus Christ. Others build upon the foundation.

We are living stones built on the foundation of Christ himself. Just as a foundation determines the shape of the building, so with the Church built on the foundation of Christ.

The successors to the Apostles have as their responsibility to make sure the Church maintains its shape and configuration to the foundation. We who serve in Holy Orders should take this message to heart.

The Gospel describes- Jesus' cleansing of the temple. John's tradition combines two elements found separately in the synoptic tradition: the cleansing of the temple and the prediction of the temple's destruction.

There are other elements not found in the synoptic accounts; such as, Jesus' use of whips, the citation of Psalm 69:9, and the statement that the incident took place when the temple had been forty-six years in building. This event underscores the beginning of Jesus' ministry in John's Gospel, whereas the synoptic tradition has it during Holy Week.

In John's perspective, Jesus lays out everything from the beginning; he holds nothing back. The destruction of the temple is the purpose of Jesus' ministry. The old order of worship is replaced by a new one — an order focused no longer on the Old temple but on the body of Christ.

Our celebration of, the Mass each week at the new temple (the body of Christ) refreshes and gives life. Life not only to those within the Church building, but is to flow out into the world through our evangelistic efforts. With Christ as our temple and the liturgy as our sacred river, we are sent out into the world to tell the Good News.

Please, Come to Church Dressed Appropriately!

To be modestly and tastefully dressed is a sign of respect for God, for our selves, and for others. It's a false assumption that God does not care how we dress. Jesus told us, "Whatever you do to the least of my brothers, you do it to me." If our attire is indecently provocative (short shorts, strapless, backless, spaghetti strap dresses/tops, or displaying cleavage), displaying unwholesome graphics (skulls, advertisements, scantily clad people) or tattered, it becomes offensive to our brothers and sisters who are worshipping the Lord and therefore offensive to God's Majesty. Ask this question: "Would you dress this way before God?" You are! He sees everything and you are in His house.
