

THE DIOCESE OF BELLEVILLE

June 19, 2020
The Most Sacred Heart of Jesus

Dear Father Umoren:

May the Peace of Jesus Christ be with you!

Our parishes are vital centers of Christian faith and service in our Catholic communities. It is a special pleasure for me, as your Bishop, to call priests to serve as pastors. Such appointments necessarily bring priests into closer collaboration with the Bishop of the Diocese. Therefore, I am happy to appoint you as Pastor of SS. Peter and Paul Parish in Waterloo. I am very grateful to you for your many years of service as Pastor of Holy Family Parish in Cahokia and Sacred Heart Parish in Dupo, which prepared you well for this new responsibility.

You are now authorized to act in the name of your new parish in all matters according to canon 532 of The Code of Canon Law. I am confident that your faithful service to the People of God will be spiritually beneficial for you and your new communities of faith.

As you well know, the Pastor of a parish today faces many challenging responsibilities in the effort to bring his people closer to Jesus Christ. He preaches the Gospel, explains the Scriptures, and celebrates the Sacraments. He provides for the religious education and formation of children and adults. He enters intimately into the lives of the faithful in times of joy and sorrow, from birth to death. He has a special concern for the poor, the sick and the victims of injustice, and he must be solicitous of those who have been alienated from the Church.

I am enclosing copies of the Profession of Faith and the Oath of Fidelity. These should be proclaimed aloud and signed during the Mass of Installation, which should be set on a date within the next eight weeks that is convenient for you and the Vicar Forane, The Reverend Monsignor John T. Myler. Please send these witnessed and signed documents to the Chancellor, Deacon Douglas L. Boyer, immediately after the Installation. Two Rites of Installation are enclosed. You may use the one you prefer.

If the Body of Christ is to grow in harmony, a special bond of trust and cooperation must exist between Pastor and Bishop. I know from your past service as Pastor that you appreciate that bond. Be assured that I will pray for you often, especially at the Eucharist.
