Principal's Corner

Dear SKDS Family,

Report cards go home today, Thursday, and conferences are November 14, (4-8 PM) and November 18, (4-8 PM). You can find some helpful information on the school website home page called Standards-Based Assessment and Grading. Here you will find the curriculum for each grade level listing the standards that are taught and assessed throughout the year, in addition to the Parent Guide to Standards-Based Assessment, Grading and Reporting. There is also a link to the presentation I shared back in October on SBAG.

During the month of November our Virtue in Practice is Stewardship. Stewardship is returning to God the first fruits of your time, talent, and treasure. So how do we practice stewardship? First and foremost, by being thankful for all that we have, and not comparing what we have with what others have. We practice stewardship by making sure others have what they need, before we get what we want.

A quote by Thomas Merton: *"To be grateful is to recognize the Love of God in everything he has given us – and He has given us everything. Every breath we draw is a gift of His love, every moment of existence is a grace, for it brings with it immense graces from Him. Gratitude therefore takes nothing for granted, is never unresponsive, is constantly awakening to new wonder and to praise of the goodness of God. For the grateful person knows that God is good, not by hearsay but by experience. And that is what makes all the difference."*

Blessings,
Ms. Crombie

Athletic Director Needed

We are looking for someone to serve as our Athletic Director at SKDS. Mr. Matt Warmka stepped into the position of Athletic Director two years ago to "fill in" and has continued serving in that position, but is now looking for a replacement. He is willing to train and work with someone through the remainder of this year. If you are interested, please call the school office.

2019 SKDS Christmas Program

This year's musical is called **Away In A Mango**. It is a story of a Christmas island adventure that you won't want to miss. The play is directed by Barbara Haase, who has graciously agreed to do so, and it includes students in grades 5K through 8.

Join us on December 12, for our annual Christmas program featuring our instrumental and vocal music programs. We have programs in the afternoon and evening at 1PM and 6:30PM.
