PHILOSOPHY

Saint Katharine Drexel School offers a preschool program for all children.

Each child is a unique and cherished individual, possessing individual gifts and talents. At Saint Katharine Drexel School we are thankful for each child and strive to instill in each one that s/he is special. We encourage the full development of each individual physically, mentally, emotionally, socially, and morally with the help of his/her parents, who are a child's primary teachers.

GOALS

Our goals are to help the child:

1. Develop positive self-concepts through increased awareness of his/her own characteristics and abilities;
2. Develop positive concepts about family, friends, community, and school;
3. Learn about loving and caring and discovering and appreciating the world around him/her;
4. Increase his/her awareness and appreciation of the five primary senses;

GOALS CONTINUED

5. Develop attitudes of sharing, taking turns, helping, listening, thanking, and celebrating; and
6. Progress in his/her development in the areas of Fine Motor, Gross Motor, Language, Social, and Cognitive Skills.

THREE YEAR OLD PROGRAM

The Three Year Old program is for children who will be three years old by September 1 of the year enrolled.

Our preschool program is based on the "Thank you Theme". The "Thank-you" program focuses on all those things for which we are thankful. The theme is designed to:

1. Help each child discover the unique and natural gifts s/he has and
2. Make each child more aware of the world around him/her.

Young children enjoy feeling good about their environment and about themselves. Positive attitudes of loving, sharing, helping, and caring are developed and emphasized throughout the year.

Saint Katharine Drexel School offers a wonderful Extend-A-Day (EAD) Childcare Program at the cost of \$14.00 per half day. The EAD Childcare Program runs from 11:00AM to 3:15PM. Your child may attend opposite his/her 3K schedule on regular school days.

School lunch will be offered to your child for the fees set at the onset of the school year or s/he may bring a cold lunch from home.

Saint Katharine Drexel School has a Before (BSC) and After School Care (ASC) Program. It is open to students 3K through Grade 8. BSC runs from 6:45-7:45AM; ASC runs from 3:15-6PM, Monday-Friday on school days. Our fees are competitively priced. For more information go to <https://www.skds.org/after-school-care2>
