Reviewed and approved the meeting minutes from the 12/14/17 meeting.

Share Time – people appreciated the meet and greet a few weeks back at the start of mass. The letter to our immigrants was translated into Spanish and shared with council members – we are not doing anything with this at this time.

Pastoral Council goals for 2018 were discussed. Results of the SWOT analysis were discussed. We determined our "top 3" areas our group is most interested in working on are faith formation, increasing volunteerism, and developing a young adult program. However, the list of ideas for potential goals is still too broad. We are going to continue to work on narrowing down the list and finding our next "cluster" of ideas. Each member is to turn in 2 goals from each section by Friday 2/23.

Next meeting March 8th, 2018 at 5:15.
