*"Prayerful, compassionate servants to all God's people"*

February 8, 2026 · 5th Sunday in Ordinary Time

*We, the people of St. Agnes, are called by God as a Catholic Christian community to be prayerful, compassionate servants to all God's people. We celebrate the spiritual life of Christ among us through a Christian lifestyle which includes scripture, sacraments and lifelong Christian formation. We proclaim and share His good news in a loving and caring way. We hope to accomplish this mission, and so we commit our lives, gifts and resources.* — St. Agnes Mission Statement

## FROM THE PASTOR'S DESK

### Fifth Sunday in the ordinary Time

Dear brothers and sisters,

This Sunday, the passage from the Gospel of Matthew invites us to reflect deeply on our role in the world as salt and light. To be "salt of the earth" implies a call to enrich and preserve our community and environment. Just as salt enhances flavors, we are called to enhance the goodness in others and in the situations we face every day. On the other hand, to be "light of the world" calls us to illuminate, to be guides and examples of integrity and goodness. Light not only dispels darkness, but also allows others to see the way. Thus, every action we take and every word we speak has the potential to illuminate the path of others, inspiring them to move forward with hope and determination.

I invite you to think in the invitation to be salt and light, because it can transform our daily routine into a series of opportunities to positively impact our surroundings. From the way we treat our neighbors, to the decisions we make at work, every gesture counts. By maintaining a positive attitude and offering words of encouragement, we can be a source of strength and comfort to those around us, thus demonstrating the essence of our faith in every action.

So, this call to be salt and light is, ultimately, an invitation to make a meaningful difference in the world. It reminds us that, although individually we might feel small or insignificant, together and with purpose we can bring about lasting and positive change in our community and beyond. By living these gospel principles, we can truly reflect the love and light we wish to see in the world.

Remember,

*"God loves you, God loves me, God loves us"*

Blessed week,

*Reverend Sergio Rodriguez*
