\*10:30AM MASS\*

Presided by Archbishop Jeffrey Grob

Fellowship after **EACH** Mass in Kemp Hall

## WISS Temple and Panera Team up to End hunger through one box and one bread loaf at a time

We are all part of WISS Sai Temple, Pewaukee. Our Volunteer group partners with area Panera Breads to donate baked goods through their Day-End-(Dough)nation program to support local food pantries and churches. We have been supporting St. Agnes since Sept 2024 and have expanded our support to St. John Church in Brookfield.

The program was initiated by Bala Narayanan who is a resident in Menomonee Falls and also is a local healthcare leader working for a major faith-based health system. **This would not have been possible without the leadership of Jesse Held, GM for Panera who went above and beyond in ensuring the store is setup for supporting the program weekly. WISS Temple service committee chair Nandha and board president Satya Karri were integrally involved ensuring the program meets all the compliance requirements needed by Panera.**

Program volunteers include : Pictured from L-R, Taarush Allani (5th grader), Balaji Narayanan (me), Panera store associates Willy and Mimi, General Mgr-Jesse Held in the middle holding the plaque, Kalyan Nalla, Kalyan Maddali, Pramod Allani. Not pictured- Nandha Chandrasekharan
