Farewell to St. Agnes parish

Dear Friends at St. Agnes,

As I am assigned to a new parish, starting June 20, 2023, this would be my last contribution to our newsletter. I would like to say THANKS for EVERYTHING THAT HAS BEEN in the past here at St. Agnes and YES to ALL THAT WILL BE in the future at St. Elizabeth Ann Seton in New Berlin. I came to St. Agnes community at a very difficult time, not only for us at the parish but also for people around the world. The world was then facing a deadly pandemic. Those of us who were fortunate enough to come out unscathed by the pandemic need to remember in our prayers those who were not so lucky. I am grateful to God the Almighty for sustaining us as a community during those tough times.

I would like to extend my gratitude to St. Agnes family for your warm welcome and support during my term here. I am deeply indebted to you for your dedication to our parish programs: the faith formation, liturgy, buildings and grounds, and the academic and athletic programs of the parish school. I am immensely thankful to all our Ministry leaders, Committees and Councils for their constant efforts to make St. Agnes a vibrant parish family. I am also very grateful to our staff and volunteers without whom we cannot accomplish anything in this community. I would like to mention a few things we did to-

gether: LED lights in all our facilities, painting and installation of sound panels in the church, installation of Mary's image to its rightful place, tiling and painting of the Kemp Hall, renovation process of the convent to serve as a future retreat center, adding K-3 program to the school curriculum, and centennial celebration of St. Agnes school. The credit for such accomplishments in a short period goes to each one of you. I am glad to have been part of our journey together.

On the spiritual side, we have just started the Eucharistic Revival both at the national and local level. The Archdiocesan Eucharistic Congress was held on June 10. Now it's our turn to promote various programs to deepen our love for the Lord in the Eucharist, and to invite more people back to church to increase the awareness of the Real Presence of the Lord. Let us participate in the Holy Mass and adoration regularly for this divine experience. As I start my new ministry, please do keep me in your prayers. You will always be in my prayers. May the good Lord continue to bless you and the parish family in the days to come!

Yours in the Lord,
Fr. Joy Thachil, SAC

Welcome

New pastor introduces himself to St. Agnes community

Rev. Sergio Rodriguez Rodriguez

Dear brothers and sisters,

I am Father Sergio Rodriguez Rodriguez, originally from Colombia, the second of three children. I was born on Aug. 1, 1987, and I was ordained for the Archdiocese of Milwaukee on May 19, 2019. Since then, I have served the Archdiocese as the associate pastor in Burlington and Lyons Catholic Communities.

It is a pleasure for me to introduce myself to you as your new pastor. The Archbishop of Milwaukee has entrusted me with this beautiful community, and for that I am

so happy and grateful.

I write this as I am preparing to move from Burlington to Butler and start a new step in my priesthood, working with all of you. I am praying that God, who called me to serve his people, gives me the necessary wisdom, energy, love, and passion to do my best and to help all of you to be closer to him every day. I know that changes are sometimes difficult for us because of the uncertainty and unknown of the new, but be sure that as a Christian, priest and pastor, I will give my best to help you grow in your relationship with our Risen Lord.

I must confess that my heart is a little sad because I have to leave the community that received me four years ago as a newly ordained priest, but at the same time my heart is full of joy because I will have the opportunity to know you and work together for the kingdom of God.

And remember: "God loves you, God loves me, and God loves us." Have a blessed week,

Rev. Sergio Rodriguez Rodriguez

Celebration

Deacon Ray Waitrovich ordained 25 years ago

A member of St. Agnes Parish for the last 50 years, Deacon Ray Waitrovich is celebrating the 25th anniversary of his ordination. He remembered how it all came about.

"I was helping out a lot at Mass and around the parish," Deacon Ray said. "Then Father Andy Doyle fell and broke his leg. He was in a wheelchair, so I would get him around at Mass." Holy Week came and there was a lot to do during the Triduum, so Bishop Sklba came to help out.

"We got to know one another and one day he asked me to consider becoming a deacon," Deacon Ray said. While it was something of a surprise, it really shouldn't have been.

"I was always very much involved in church from a young age. I helped at Mass and funerals as an altar boy and had considered becoming a priest," Deacon Ray said. "I particularly enjoyed participating in the Lent and Easter seasons, especially the days of the Triduum.

Deacon Ray at his ordination 25 years ago in 1998

"When I was a child [in Niagara, Wis., near Iron Mountain, Mich.], the celebration of the Triduum was during the day, not in the evening, so very few people came," Deacon Ray said. "I was an altar boy and I decided at one point that I wanted to be a priest."

After high school, however, he went on to Marquette University where he majored in accounting. Then he went into the Air

Deacon Ray with newly baptized children last spring

Force where he played the organ each weekend at Mass and afterwards entered the work force as director of real estate for Kohls Food Stores for 32 years.

After 25 years as a deacon, he says he would encourage others to follow this career path, but with some caveats.

"Be prepared for a long and grueling training period," he said. "I wouldn't advise this for men with small children. It's important that the man's wife fully embrace this career path."

"My wife Audrey was at first surprised at my decision to become a deacon, but I was determined and she came around," he said.

"She was pleased with my decision to do this. Today the wife is much more involved in the training than when I went through the formation process."

Looking back at the past years as a deacon, he said he presided mostly at weddings, baptisms and funerals, often for family members. The experience has been rewarding.

Christian Formation

Program information helps planning for fall

CF Registration info

Registration is now open for 2023-2024 Christian Formation year. If your child attends a public school or non-Catholic high school and you would like them to receive religious education please sign them up with the form on the St. Agnes website under Formation.

Our Christian Formation year will begin on Sunday, September 10, with our Kick-off Family Potluck. Christian Formation classes begin on Sunday, September 17. Watch the bulletins and website for more information as it becomes available.

Children's Liturgy of the Word

Children's Liturgy of the Word (CLOW) is a liturgical celebration of the Word designed for children in 4K-4th grade that brings the Sunday Readings and Gospel message to the children in age-appropriate language. It also prepares them to attend regular Mass with better understanding.

All children attending 10:30 Mass with their families are invited to participate in this kid-friendly Liturgy of The Word.

Along with hearing the Word of God, the children will participate in discussion and activities that

connect the message to their everyday life.

After the Opening Prayers at Mass the children will be invited to come forward for a blessing as they are dismissed for their special Liturgy of the Word.

We encourage all children attending 10:30 Mass to participate in CLOW. After taking a break during the summer, CLOW will begin again on September 10 and will be offered most weekends through May.

RCIA: A Journey of Faith

The process by which adults come into the Church is called "The Rite of Christian Initiation of Adults," or better known as "RCIA." The Rite of Christian Initiation is based on the principle that the process of conversion proceeds gradually, in stages. Progress from one stage to the next is marked by a liturgical celebration in the midst of the parish community.

Now is the time to begin that journey of faith. If you or someone you know is interested in learning more about the Catholic faith or are just seeking answers to questions of faith, we are here for you. Please contact Shelly Fellin at fellinm@stagnesparish.org or 262-781-6998 to begin the journey.

Out and About

Champion visit scheduled for July 22

Join us on Saturday, July 22, for a special all-day Out and About trip to the National Shrine of Our Lady of Champion in Champion, Wis. (just north of Green Bay). This is an internationally recognized holy site where the Blessed Virgin Mary appeared.

The story: Adele Brise, a Belgian immigrant girl in Champion, Wis., walked 10 miles to church each Sunday. "Three times in a row, she saw a vision of beautiful lady, clothed in dazzling white, with a yellow sash around her waist. Her dress fell to her feet in graceful folds. She had a crown of stars around her head, and her long golden wavy hair fell loosely over her shoulders. The lady had such a heavenly light around her that Adele could hardly look at her face. Overcome by the light, Adele fell to her knees and said, "In God's name, who are you, and what do you want of me?"

The lady replied, "I am the Queen of Heaven who prays for the conversion of sinners, and I wish you to do the same. You received Holy Communion this morning and that is well. But you must do

more. Make a general confession and offer Communion for the conversion of sinners. If they do not convert and do penance, my Son will be obliged to punish them."

Things you can see at the Champion shrine: prayer and devotion locations, apparition oratory and chapel (accessible entries), grave site of Adele Brise, Stations of the Cross, outdoor Rosary Walk, statues of many saints and a replica of the Divine Mercy portrait. The United States Conference of Catholic Bishops declared the grounds of Our Lady of Good Help as a National Shrine in 2016.

Registration deadline for this event is July 14. Sign up in the church lobby at the Out and About table. We're carpooling, so please indicate whether you will be able to drive. Pack your own lunch or plan to buy a sandwich at the café.

We will meet at the playground entrance and carpool just as we do for regular Out and About trips. On the way, we will stop by the National Shrine of St. Joseph at St. Norbert's College in DePere, Wis.

The Apparition Oratory is an underground place of prayer located directly below the sanctuary of the Apparition Chapel. It was constructed to emphasize the experience of Mary's presence on the Shrine's sacred grounds. It includes more than 20 relics.

Stewardship of our bodily health

Paul writes, "Do you not know that your body is a temple of the Holy Spirit within you, which you have from God, and that you are not your own?" -2 Corinthians 6:19

God has given each of us a physical body that, like an automobile, is a masterfully engineered, complex vehicle that carries us along our road of life. Like our cars, our bodies need attention and care to function optimally and bring us smoothly down the road of life.

Of course, many of us have health problems for factors beyond our control, such as genetics, environment and misfortune. With so many variables over which we have no control, we need to do our best with the variables we can control.

For July, dedicate yourselves to being a better steward of your body. Here are some ideas:

- **Get a physical.** A doctor can evaluate you and advise you on optimizing your health.
- **Move it!** Even small amounts of exercise improve health and wellbeing. Ask your doctor how to get going.
- **Diet.** Not just eating to lose weight, but also eating for healthy living. Learn about the nutritional value of the foods you now eat, and explore choices that are more healthful.
- **Stop smoking.** The number one preventable health risk, smoking causes cancers, high blood pressure, heart disease, etc. Enough said.
- **Sleep.** Eight hours of shuteye does wonders for body and mind.
- **Pray and meditate.** Spiritual disciplines lower your stress, which improves physical health, too.

God gave us wonderful bodies to carry us through our life's journey of discipleship. The better we care for it, the more fruitful our journey will be.

Thanks to the many who make music

Around this time last year, I sat down to write my very first article for the newsletter. I remember sitting at my desk and wondering what I could write that people would want to read. I had just started this job the month before. Now I have been here one whole year! Thankfully, it is much easier to write now that I have experienced the highs and lows of every season here at St. Agnes. There are so many people who helped me through this first year that I am so grateful for.

Special thanks to my choir and cantors for being so great! It was a pleasure making such

wonderful music with you this year. Thank you for being patient with me as I figured out what worked and what didn't. We sang a lot of beautiful music, and I am proud of how much excitement and passion you have for singing with each other.

Also, there needs to be a huge shout out to Theresa Nadolski, without whom I would never have been able to start up our handbell choir again! Thank you to everyone who returned to this group after a long hiatus with so much enthusiasm, and to all our new players who took the leap of faith and (I hope) had fun playing with us. I enjoyed our practices and am so proud of how much progress we made in such a short time!

Finally, thank you to Mark Mauer for guiding me through the craziness of every holiday and giving me advice and tips on what to do. Your wisdom has been invaluable. I appreciate all your help!

Thank you to everyone for making me feel welcome and appreciated here at St. Agnes!

ARCHDIOCESE of MILWAUKEE

Eucharistic Revival

St. Agnes parish to plan events

On June 11, the Feast of the Most Holy Body and Blood of Christ, dioceses across the nation kicked off year two of the Eucharistic Revival.

In this next year St. Agnes Parish will be providing opportunities for parishioners to encounter Jesus in the Blessed Sacrament, reinvigorate devotion to the Eucharist and grow closer to Jesus by deepening formation. The ultimate goal of the Revival is to send “missionaries” out to our broken world that is in need of God’s mercy and grace.

“The Eucharistic Revival is intended to be far more than a series of events or a program. It aims to be a movement that enkindles a living relationship with Jesus Christ in the Eucharist and renews the Church.” Bishop Andrew Cozzens, Chairman of the USCCB’s Committee on Evangelization and Catechesis.

Watch for more information in the coming month and consider how you can take part in the Eucharistic Revival at St. Agnes.

Psalms: Prayers for every day

by Jackie Schulz

Finding the right words to say to someone can at times be difficult. In a similar way, it can be hard to find the words we need when we pray. That’s when we can turn to the Psalms.

“Psalms help us put into words what we experience and feel...psalms help us bear the burdens that life places on all of us.” *—Daniel F. Polish— Bringing the Psalms to Life*

We pray the Psalms together at Mass. We sing these poetic prayers. I have found that I can continue

to pray that Psalm of the day and learn it by heart if I bring home the order of worship. The melody and the words allow me to do what St. Paul

wrote, “Rejoice always. Pray without ceasing.”

Here are some of the Psalm refrains we sing together

- **Psalm 16:** Keep me safe, O God, you are my hope
- **Psalm 23:** Shepherd Me, O God, beyond my wants, beyond my fears, from death into life.
- **Psalm 30:** I will praise you,

Lord, you have rescued me, I will praise you, Lord, for your mercy.

• **Psalm 91:** Be with me, Lord, when I am in trouble, be with me, Lord, I pray.

• **Psalm 104:** Lord, send out your Spirit, and renew the face of the earth!

The Psalms have been called the Prayer Book of the Bible. They express the feelings and emotions that we experience—joy, gratitude, sorrow, anger, repentance, trust and more.

Jesus prayed the psalms.

With 150 Psalms to choose from, it might take time to find some that speak to you. Turn to the middle of the Bible, start reading, find a

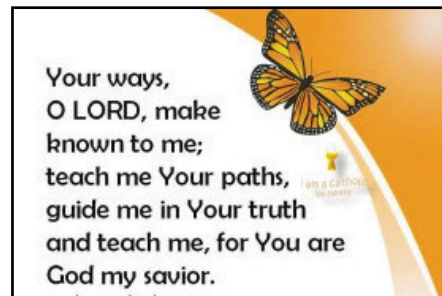

phrase that touches you. Print it on a post-note. My favorite psalm verses:

Be still, and know that I am God.

Psalm 46:10

Your ways O Lord, make known to me. Teach me your paths. **Psalm 25:4-5**

I believe that I shall see the good things of the Lord in the Land of the living. **Psalm 27:13**

The Wish List is used as a way of contributing to St. Agnes above and beyond our tithing program or items that are currently outside our budgeting capacity and allows parishioners, family, alumni and friends to donate to a specific need. Thank you for your generosity

Celebrating a century of excellence: St. Agnes Parish School's extraordinary school year

As the school year draws to a close, we find ourselves reflecting on the incredible journey and many accomplishments that this year brought. This has been a year filled with joy, growth, and celebration as we marked a significant milestone in our history — our **100th year as a school**. From welcoming new students and families this year to honoring our longstanding legacy, it has truly been a remarkable year for the St. Agnes community.

At the beginning of the academic year, we were filled with pride as we warmly welcomed 54 new students into our St. Agnes family. Each new addition to our One Family brought a fresh perspective and added so much life to our already vibrant school community. It has been an absolute delight to watch our new students and families integrate into the St. Agnes community. Their presence has brought new energy to our school and supported our mission and vocation to educate young minds.

Equally inspiring are our returning families, who have been the bedrock of St. Agnes School. Their unwavering support and active involvement in all our activities have played a vital role in creating an environment of warmth and inclusivity. Their dedication truly embodies the spirit of our community, nurturing growth, compassion, and love. All we accomplish is because of the strong support we have

from our parent community.

This year, we have had the privilege of commemorating our school's 100th anniversary, a momentous occasion that holds immense significance for each and every one of us. To celebrate this historic

One hundred years of excellence in education and faith formation is a remarkable accomplishment. It is a testament to the unwavering commitment of generations of students, families, faculty and staff who have passed through these halls.

Rachel Kolbeck

unwavering support, trust and partnership have allowed us to create a faith-filled environment where students can flourish academically, spiritually and socially.

We also recognize our incredible teachers and staff members. We are forever grateful for their unwavering passion for Catholic education and dedication

to growing and bettering our school. They continually embrace the challenge of guiding our students' growth with enthusiasm and compassion, fostering their talents and nurturing their dreams. Their commitment to excellence has shaped countless lives and will continue to do so for years to come.

As the summer break is upon us, we wish all of our families, students, and staff a well-deserved time of rest and rejuvenation. We pray this time is filled with precious moments spent with loved ones, exploration of new interests and the creation of lasting memories. We will see you next year!

In the Classroom

What we believe, in the words of second-graders

by Jackie Schulz

Every Sunday we pray the Creed together. It's how we say to God: We have heard the Good News and we believe! We express our faith in God. We believe in God's saving and redeeming love for us.

In school it's our job to teach our students what we believe about God, Jesus and the Holy Spirit. We help them to know and grow in their understanding year by year.

In second grade, with Scripture, prayers and with our religion book we talk about God creating, Jesus and his living, dying and rising. We talk about the Holy Spirit and how the Holy Spirit comes to us. **I gave my class the task of writing their own Creed.** I told them to write what they have learned and believe. This is what they wrote:

I believe in Jesus because he was baptized. Jesus healed a lot of people. He fixed people who were blind. He blessed the bread and wine. -- **Gabo**

I believe in God and Jesus and the Holy Spirit. I believe that Jesus walked on water. Jesus died on the cross for us. He is risen! -- **Amelia**

I believe that God is our Father. I believe in the Holy Spirit when I see a dove. I believe in Jesus. He was a good man. He made a blind man see. He died and now he is risen. -- **Sabali**

I believe God is Creator. I believe Jesus is our friend. I believe in the Holy Spirit. We all believe Jesus. -- **Derrick**

I believe God. I believe the Holy Spirit. I believe in prayer. I believe Jesus. Jesus was put on the cross. He died. I believe now Jesus is risen! -- **Maliya**

I believe that Jesus turned water into wine. Jesus teaches people to be a friend like him. Jesus was by the seashore and told the disciples to put the net to the right side to catch the fish. I have believed that Jesus has risen! -- **Justin**

I believe in God, Jesus, the Holy Spirit, heaven. God made the whole world. Jesus healed people. Jesus is holy. Jesus rose the third day. Jesus and disciples had breakfast by the lake. -- **Ayden**

I believe in God because God made the whole Galaxy, trees, plants, people, dogs, cats and underwater creatures. God made us.

-- **Brooklyn**

I believe...I believe in Jesus because he grew up and helped people. I believe in God because God created the world. I believe in the Holy Spirit because the Holy Spirit came down upon Jesus in the form of a dove. -- **MaLeah**

I believe my Mom because she takes care of me. I believe Jesus because he takes care of us. I believe God because God takes care of Jesus and us. I believe the Holy Spirit because the Holy Spirit is so so Good. Because we get baptized and the Holy Spirit comes in our life and will be in our souls too. -- **Zoey**

Creed: I believe in what God created...the world! God wasn't made like a human being. When Jesus was born and then grew up he was a preacher. I believe Jesus made a blind man see. I believe he woke up a child that was dead. He died on the cross...now is risen! -- **Max**

I believe God our creator who made the world called Earth. And the whole galaxy. And there might be more. I believe in Jesus. He died for us. To forgive our sins. He kept his job as healing people and reviving people too! He did his best for his disciples. The Holy Spirit came to Jesus when Jesus got baptized. The Holy Spirit is Holy like in its name. And it is A SPIRIT. The Holy Spirit is a dove in the Bible. And I believe this all. In real life. It comes from heaven which you will go to if you're good in your life. Heaven is a good place to be after you die. In life. I also believe heaven is the most holy place you can be in! -- **Touhmong**

Help us update our information

Please make sure we have your family membership record accurate. Are there any changes or additions that have occurred in your family? Have you changed your phone number? Moved? Are all of your children still at home and included in your membership record? Do you want your record published? If you have not already notified the Parish Office about changes to your record, please contact us so the information in our database and the Guide Book & Directory is correct.
