Please review the Terms of participation in our Athletic Programs.

Program Terms

I realize that there are numerous risks involved in participating in the sports selected during registration.

These risks could involve (but are not limited to): sprains, contusions, broken bones, lacerations, concussions, permanent disability, internal injuries, paralysis, and possibly death. These risks could impair your child's future abilities to earn a living, engage in business, social, and recreational activities and to generally enjoy life. I have been informed about the various risks associated with our child's participation in the sports registered for and the potential injuries that may occur.

Within the Terms there are links to our Athletic Code and our Concussion protocol resources.

I have read and agree to the **ST. AGNES ATHLETIC CODE**. I understand that failure to comply with the code will affect the ability for my child or myself to participate in or attend St. Agnes Athletics.

I have read the **CONCUSSION RESOURCES** and understand what a concussion is and how it may be caused. I also understand the common signs, symptoms, and behaviors. I agree that my child must be removed from practice/play if a concussion is suspected. I understand it is my responsibility to seek medical treatment if a suspected concussion is reported to me. I understand that my child cannot return to practice/play until providing written clearance from an appropriate health care provider to his/her coach. I understand the possible consequences of my child returning to practice/play too soon. I have shared these resources with my athlete and he/she agrees to abide by the same procedures.

After reviewing the terms, accept the terms to continue the registration process.

I have read and agree to the Athletic Participation Fees, Uniform Deposits and Volunteer Commitment/Deposits. I understand that in order for my child(ren) to participate in the St. Agnes Athletic Program, I am responsible for all required fees and to either fulfill the required volunteer time or pay the designated fee.

As a condition my child's voluntary participation in the registered sports, I agree to accept all the previously mentioned risks as a condition of my child's participation.

By SELECTING I AGREE, I attest that this constitutes my legal electronic signature on this form.
