

Hello St. Agnes Families,

Welcome to Tender Care University, our before & after school program at St. Agnes School.

We strive to make TCU a fun, safe and comfortable place for your child. TCU services are available for all grades. We offer snack, gym time/playground, homework time, chrome books for older children, puzzles and games on a daily basis. We also have a movie every Friday.

Families are expected to fill out monthly calendars with anticipated hours. This will need to be done monthly by the 28th. It is important we have all paperwork including August/September calendar with fees (to hold your spot) so we can figure out staffing needs. This is due on Organization day. Registration is complete when all necessary fees and paperwork have been completed. Some families might have a credit from the 2022/2023 school year. This will be indicated on your billing statement. All prior balances from years past must be paid in full in order to register for the 2023/2024 after school program.

Hours and cost

- Before school 6:45am to 7:40am = \$5.00 for the hour
- After school hours 2:50pm to 6:00pm = \$6.00 per hour
- Registration fee of \$35.00 and refundable deposit of \$100.00 per family due on organization day

Working parents are better able to plan their day when their children have a safe place to be outside of class time in the same building. 😊
