

Hello High School Faith Formation Friends,

With this being our last week "together apart", I want to leave you with the challenge that you remain engaged in your faith and your spiritual growth when you are NOT required to "attend" Faith Formation. Some of you are heading out into an uncertain world after graduation and may feel you "don't have the time" for God.....and your spiritual life. There is also great UNCERTAINTY.....actually we have experienced this over the past 2 months as well. Push back on that "excuse" and STAY ENGAGED.

As Fr. Mike says, WE WANT CLARITY and CERTAINTY from God. WE want the "cloud to move" and God guide us ALL THE WAY. Fr. Mike says "God wants you to make decisions on what you DO know and what he HAS revealed to you." God HAS revealed to you what you NEED to know to have an honorable life. He may NOT provide you CERTAINTY to your life on the spot, right away.

So.....stick with it and stay in it! Don't put the Bible down. Don't quit going to mass or "Faith Formation". Don't quit GROWING in your faith and spiritual life. HE speaks in clarity if you are listening.....be CERTAIN OF THAT. ;)

Seniors.....YOU WILL BE MISSED! I will be calling on you in the future to be "guest speakers / teachers" when you are back home.....from whatever vocation or college you choose. Your experiences can provide for others some the same clarity God offers. It might also help others after you to find their CERTAINTY.

In all situations in life and faith.....you can run.....but you can't hide. The CERTAINTY is....."He will be with you"in successes and failures.
