IT'S VOLUNTEER WEEKEND!

Your chance to get involved in the Saint Joseph *Growing Our Faith* Campaign is here! We need YOUR help to be successful. Those families who are unable to attend a reception will be personally contacted by a Campaign Volunteer. Our goal is to involve the entire parish. The mailings, receptions, phone calls and home visits will help us inform and engage people. We need enthusiastic volunteers to participate by performing these important tasks. Please fill out a volunteer card and return the card in the offertory basket or by dropping it off at the parish office. Your commitment is essential to the success of our campaign.

To achieve our goals, we will need the cooperation and assistance of a great many parishioners as volunteer workers to give us approximately 10-15 hours of their time in the months of March through May. We are not looking for quantity of time, but quality time. No special qualifications are necessary, except your willingness to sacrifice a small amount of your leisure time and your desire to see that Saint Joseph accomplish its projects and continue to be a vibrant people of faith.

"I have now brought you the first fruits of the products of the soil which you, O Lord, have given to me." (Deuteronomy 26:10)

This simple line from the Old Testament presents us with two challenges. First, do we bring God the best that we have to offer; regarding our gifts of time, talent and treasure, do we give God our "first fruits" or what is leftover? Second, do we remember that everything we have has been given to us by God? We brought nothing into this world and we can take nothing from it. So let us ask God for a grateful and generous heart, every day.
