ONLINE GIVING AVAILABLE THROUGH THE PARISH WEBSITE

Thank you for your gifts of time, talent, and treasure. Parishioners and friends of St. Anthony can donate through the website. No need to write checks, you can just sign up and have your contribution withdrawn from your bank or credit card weekly or monthly, whichever you prefer. This also enables you to support your parish even when you are away.

The online giving tab on St. Anthony's website includes all Second Collections throughout the year. Clicking on "Second Collections" opens a new window. This window includes all Holy Days, Diocesan collections, and donations for flowers at Christmas and Easter. When you donate online through Second Collections, the donation amount will be processed on the date listed next to the collection.

Please check out the online giving tab soon.

IMPERSONATION SCAMS

Parishioners have notified us that they have received emails and texts from cybercriminals pretending to be our pastor asking for a favor, money, gift cards, etc. These Scam/Phishing emails or texts attempt to extort money from those associated with our parish. The scammers are exploiting folks' helpful natures by sending email messages pretending to be from our pastor. These emails or texts usually begin by asking the recipient if they are available to help the pastor with something important. Once the recipient replies, the sender then begins asking for help getting money, usually in the form of gift cards, then sending the gift card details back via email or text.

Carefully check any email or text message that asks for money, in any form (including gift cards, banking information, etc.). These messages should be verified by contacting the perceived "sender" directly, in person or by phone, before responding via email or text.

These scammers continue to target religious organizations and their congregants because their methods work (people send them money without asking questions). Please be cautious and don't fall for their tricks. Please be aware of these scams and help spread the word among our community.

If you are suspicious of any email, text, call, etc. that appears to be coming from St. Anthony Parish or its pastor or staff, please know that we welcome a call to the Parish Office at 859-431-1773 to verify if it's actually coming from us which helps us identify and notify parishioners when our community is actively being targeted.
