## Our Inaugural Drama Camp

We have something for everyone this summer! Over the two weeks of this camp at Covington Latin School, 3rd-8th grade students will have the opportunity to grow in the arts while finding their passion for performing. The musical is a classic that is sure to leave students wanting more. *No Strings Attached* has songs from the fairy tale such as "All the World's a Stage," "No Strings Attached," "The Donkey Trot," and more!

During the first week, students will break into groups to begin learning choreography and music. The second week of camp will focus on putting the show together and acting. Each day the students will have an opportunity to attend a new workshop. Workshops will focus on auditioning, dancing, vocal training, and accents.

Cost for the camp is \$250 per student. Enrollment includes a camp t-shirt and rehearsal materials. Students should bring lunch and a snack every day. After care will be provided for an additional cost and will last until 5:30pm.

## Performance

On the final day of camp, a performance will be held at 6pm. Friends and family are invited to attend the performance. After all the two weeks of hard work, we anticipate an amazing show that the students will remember for a long time to come! Cookies and juice will follow.
