

Service Opportunity 5th-8th grades

Tuesday December 12th 5pm-7pm

Good Works will be going to the storage unit of The Giving Tree of NKY to sort through donations for local foster children and families. Those donations will range from clothes, shoes, hygiene products, etc.

When a child comes into foster care they arrive at their foster home with very limited belongings and supplies. The Giving Tree of NKY provides these children and foster families with the essential items they need to begin their foster journey.

Your student will need to be dropped off at **5pm and picked up at 7pm**. Please let the office know by **Monday the 11th** if your student would like to attend. Please contact Rachel Tschumper for any questions. 859-462-8580 or racheltschumper@gmail.com

Walton, KY 41094

This month the students of St. Anthony's Good Works club (5th-8th) will be volunteering at The Giving Tree of NKY, a local nonprofit that supplies foster children and foster families with essential items. The students will be sorting clothing and hygiene donations.

When a child enters foster care there is typically very little notice to the child or the foster family. The children come to their new foster home with little to no belongings. Foster families do their best to have supplies on hand, but they do not always know the age or needs of the child that comes into their care. Children can come into care in as little as a few hours notice. Contrary to popular belief, foster families do not have much support in the way of stipends in providing for the children. As a foster parent, I can tell you a lot comes out of pocket for these kiddos. Things can get expensive very quickly, especially for new and long-term placements.

On the back of this flyer is a list of essential items that will assist these children and families in their difficult time of transition. Please pray for these children, their birth families, and foster families, and social workers. If you are able to donate at this time, place your donations in the bin in the back of church or you can turn them into the school office, by December 11th.

Thank you for taking the time to read this flyer 😊

For any questions, please contact Rachel Tschumper at 859-462-8580 or racheltschumper@gmail.com

Especially in need of:

Soap

Shampoo

Conditioner

Facewash

Hairbrushes and combs

Hair gel
