

ST. ANTHONY 2020 / 2021 SUPPLY LIST

In an effort to minimize the number of extra supplies stored at school, teachers have condensed their supply lists this year. Please do not send in more items than specified on the list and be aware that teachers may request additional items throughout the school year if a student's supply runs out. Please be certain to mark your student's name on all supplies if possible. School will provide each student in Grades 1-8 with a supply bag for their desk. No other supply boxes or cases will be necessary.

You may also send in small, personal size hand sanitizer for your student's desk if you choose. Hand sanitizer will be available in the classroom. Additionally, each student will be required to bring a water bottle each day, as the water fountains will not be available at school.
