This is to inform you that before any foundations for monuments or markers are installed on any of the above mentioned cemeteries, it will be necessary for you to obtain a permit from the Our Lady of the Lakes Cemetery Association. The cost of the permit will be \$25.00, and it must be obtained before placing any foundations.

-----  
Foundations for the monument or marker will be set in line head of the grave. The site will be staked out by the sexton for ease of placing the foundations. However, this does not in any way alleviate the contractor's responsibility for proper placement of the foundation.
