## A note from our Parish Director

*Fall 2023 Newsletter*

Dear Friends,

As we prepare for the cooler weather and gorgeous colors that are autumn, I am reminded of the beauty of the people in our cluster parishes and school. We are a faith family that is bursting with many vibrant gifts and talents that, when shared freely, brighten the lives of those around us. I feel so very blessed to be a part of this cluster. We have dedicated, hard-working and talented members, staff, volunteers, and priests in our parishes and school that allow the love, mercy and mission of Christ to thrive and grow here. We have generous financial donors who help sustain us financially. On behalf of our staffs, I would like to thank each and every one of you for the ways you share your time, talent and treasure to enhance the lives of so many of God's people.

As we move deeper into another school and faith formation year, I would like to invite you to watch our bulletin and parish website for the wide variety of faith formation and fun activities that will occur in our cluster and beyond.

Of particular note, this is the year of the Eucharistic Revival. This is a nation-wide event and encourages all of us to continue to educate ourselves and others on the importance of the Eucharist. As Catholics, we believe that Jesus Christ is truly present, Body and Blood, Soul and Divinity, in the Eucharist. It is not simply a memorial of the Last Supper. Throughout the year, there will be numerous opportunities to participate in a variety of offerings surrounding the Eucharistic Revival, in our cluster and beyond. Please consider participating in one or more of these offerings that will be publicized in our bulletin and on our website. I also invite you to bring a friend to these programs and to our Masses.

There is a book called *A Biblical Walk Through the Mass* by Dr. Edward Sri that is available in our parish offices. It is an easy read and provides countless insights into the history of the Mass and its Biblical connections. You can borrow a book, read it and then return it to the parish for others to read. Those who have already read it have found it to be very helpful in their understanding of the Mass. Again, I thank you for all the ways you fill our cluster with beautiful hues with your presence and generosity of time, talent and treasure.

Wishing all of you a most beautiful fall. I encourage you to take the time to recognize and ponder the color around you, both in nature and in God's people.

God's blessings,  
Deb Hamm, Parish Director

## HOLY CROSS ELEVATOR

**Here's your chance to RISE high and ELEVATE your giving...** As you know, the Holy Cross Chapel elevator has broken down and can no longer be repaired. This is an unexpected capital expense that will cost \$35,000. We have accepted a bid to replace the elevator, which is estimated to be completed by the end of the year. This capital project was not included in our Case Statements for the Love One Another Campaign and for that reason we cannot use those funds. If you chose not to pledge or didn't get a chance to pledge to the Love One Another Campaign, here is an opportunity to give directly to your parish and 100% of your donation will stay here at Divine Savior Congregation to fund the elevator replacement project. Donations large or small will be greatly appreciated! Make your check payable to: Divine Savior Congregation and include Holy Cross elevator on the memo line. If you have any questions, please call the DS Parish Office.

Thank you in advance for your help!

## Jesus Is Coming to WI Next Summer

Shortly after his Resurrection, Jesus accompanied two disciples on their journey from Jerusalem to Emmaus walking with them in their grief, offering hope, and finally revealing himself through the breaking of the bread. Jesus wants to do the same for YOU!

This will be one of the largest Eucharistic pilgrimages in history. Just as throngs followed Christ throughout his earthly ministry, our nation will process with our Eucharistic Lord through cities, along highways, and past rural towns on his way to the 10th National Eucharistic Congress.

### Marian Route

Departing from the headwaters of the Mississippi, the northern arm of the Pilgrimage will descend through the midwestern United States, pass through Wisconsin and Illinois, and meet up with the other three Pilgrimage routes in Indianapolis at the 10th National Eucharistic Congress.

This route may be the shortest in distance, but it has no shortage of opportunities for encounter with Christ! Pilgrims will attend Mass every day of their journey, along with regular evenings of reflection and adoration. As they travel, pilgrims will grow closer to Our Lord through service to local communities, inviting the most marginalized among us to be revived by the Real Presence of Jesus Christ. Will you join us on this historic journey?

Want to participate? Wisconsin's Marian Route has three opportunities to participate next Summer.

**LA CROSSE, WI June 7-9, 2024**

**GREEN BAY/CHAMPION, WI JUNE 14-16, 2024**

**MILWAUKEE, WI June 21-23, 2024**

## National Eucharistic Congress

**JULY 17-21, 2024  
INDIANAPOLIS, IN**

**Will YOU  
be there?**

**You Don't Want to  
Miss This Moment**

We know what happens when two or more are gathered in the Lord's name—but what happens with 80,000?! Join us in Indianapolis as we ask him to revive our love of the Eucharist, breathing his life into our dry bones. Then, we will be sent back to our communities to invite others to know Jesus. Our nation and our world will never be the same.

## A Night in Bethlehem

An exciting new holiday event is coming to our community on Friday, December 1. A NIGHT IN BETHLEHEM is an ecumenical effort with five churches participating. It is family friendly and appropriate for all ages.

The event will be held at Our Lady of the Lakes in Random Lake and is part of the town's "Night of Lights." You are invited to experience the sights, sounds, smells, and flavors of Bethlehem at the time of Jesus's birth.

You might meet a Roman soldier as you gather to sign the census, as Mary and Joseph did more than 2,000 years ago. See the aged rabbi at the temple, as the elders come to pray and study. The marketplace will reenact the commerce of the day, with a spice tent, baker's tent, pottery, fabric makers, and a carpenter. A school will also be in session. Watch carefully for shepherds and wise men as they search out the Baby Jesus.

Please watch the bulletin for further updates on this event. We will be looking for volunteers to help set up and take down, as well as town participants and donations to help offset expenses. If you have any questions, please feel free to call Julie Binder at 920-889-1223.

Happy Fall! This is my favorite season. I love the changing colors, the smell of warm apple cider and crisp sweater weather. But what I enjoy most of all is the reminder of good things to come. This is the time of year when animals get ready for the long winter and nature prepares itself for the next stage of its life. Mr. Rogers once said, "Often when you think you're at the end of something, you're at the beginning of something else." Fall doesn't have to mean the end of summer, but the beginning of a new school and faith formation year. With a new year brings the hope and potential of new learning experiences, growth in our faith lives and building a deeper relationship with Christ.

Speaking of new experiences and deepening our relationship, this summer provided just that, with our Mission Trip to Steubenville, Ohio, for the older students and Vacation Bible School with our younger ones. The students that took advantage of going on the Mission Trip built some wonderful relationships with other Catholic students from around the U.S. while working for the common goal of building up Christ's domestic Church. Our younger students spent a week "in space" learning to shine Jesus' light to others even at times when life feels dark. They're already looking forward to diving deep into the ocean for next summer's adventure.

This year for Faith Formation classes, we are adding three parent/student classes. Our first class for the older students and their parents is September 13 and our focus will be on the real presence of Christ in the Eucharist. Sadly, only 30% of Catholics understand or even believe this and it's up to all of us to help spread this message and encourage people to return to church. The first class for our grade school students and parents will be on September 20.

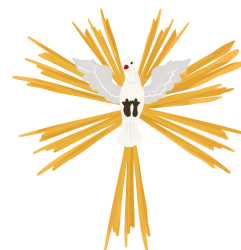

We will also be having two Confirmations this year. The first will be with last year's class on October 21 during the 4:30 Mass at Holy Cross. The second will be in May with this year's junior class. Please pray for our youth as they enter into the new phase of their faith lives. We will also be having our Mass of Commitment on September 24 for the junior class at the 8:15 and 10 am Masses in our cluster. You will have the opportunity to "adopt" one of the students and be their prayer partner throughout the year.

Besides focusing on educating our families on the presence of Christ in the Eucharist, we will be focusing on the major events in Christ's life that are highlighted in the four mysteries of the rosary. In November, we also have Tim Van Vooren (Fox 6 Sports) coming to speak to the parents and students on prioritizing faith life in our busy lives. We have many more exciting things planned as we look forward to another great year.

Peace and blessings,  
Terri Riesselmann  
Director of DSOLL Youth Faith Formation

# Divine Savior Catholic School

Divine Savior Catholic School is thrilled to welcome 117 students this year. It is a blessing to share the mission of our school with so many committed students and families. We are truly grateful for the support offered by both Our Lady of the Lakes Parish and Divine Savior Parish to help support the mission of our school.

This year we will be focused on our theme: *God Fills Our Hearts*. Each month we will highlight a new way that God does this for us. During the month of September we will focus on the LOVE that God fills our hearts with. We are looking forward to a busy and loving month at DSCS.

October 11 and 12 will be busy days for our DSCS staff! We have our Accreditation visit. This visit will help us to showcase the very best of Divine Savior Catholic School. There will be a visiting team spending two days with our students and staff. Their job is to review our evidence to see if our policies and procedures are in alignment with the National Benchmarks and Standards. Our staff has worked very hard the last 18 months collecting what we need. We cannot wait to show off our amazing school!

We have some exciting news! We have raised enough money to replace our current sign on the side of the school. A new digital marketing sign will allow us to get important information out to the broader community. We will use the sign to market the school, promote school and cluster parish events and evangelize. We are so thankful for the Archdiocese GIFTS Grant and for all the donations that have made the new sign possible.

The DSCS PtA, our main fundraising group, and the DSCS School Staff have some exciting Fall events that are coming up in October. On Saturday, **October 14**, we will have our 3rd annual local **Catholic Schools Walk**. This year our theme is *"Come Follow Me"*. The walk will highlight leaders of our faith, both near and far. We are hoping to have many cluster parishioners, school families and teachers and staff walking in support of Catholic education. **On October 21**, we will be having our 2nd annual **Smarty Pants Trivia Event**. This is our PtA's largest fundraiser of the year. It includes an evening of fun, food & trivia, an online auction and a calendar raffle. Watch for information to register your team coming soon!

Yours in Faith, Principal Lynn Sauer

## REFLECTION

Are you  
living a  
STEWARDSHIP  
life?

It is all  
about  
your heart...

"Stewardship" is a one-word  
summary of the Christian way of  
life.

When you come to a potluck, you  
always try to bring something  
good. For sure, you wouldn't come  
empty handed. We should think of  
our day that way. Whatever we do  
during the day, it's like a potluck,  
and God wants us to bring  
goodness to it. That's the kind of  
potluck it is.

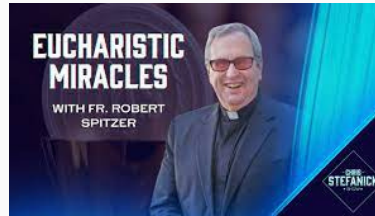

-Little Burgandy Book of Stewardship Reflections-

Everything we have  
is a gift from God  
that we are to use  
to help others

*Society of Saint Vincent de Paul*

The OLL Saint Vincent de Paul Conference recently had a breakfast meeting with Father Don Thimm as our guest. Imagine yourself at the table as you read the inspiring (paraphrased) message that he shared: "SVdP makes many connections with the larger community by advocating for the poor on a state and national level and by connecting friends in need to local services. The SVdP stores throughout the state remind us that our donated belongings become treasures to others. They are the source of funding to help those in need. We become ambassadors of the story of Jesus when making home visits and listening to neighbor's stories instead of telling and preaching. By forming relationships with our neighbors, we enter the DNA of God by doing the work of the gospel. We are like Jesus washing the feet of the disciples. The poor and vulnerable are so often the people who are judged. Instead of judging, we should be inspired by the courage and strength of the people met during home visits. As their stories are heard, their lives are changed, and Vincentians' lives are transformed, as lives were when Jesus did the same. It is a new experience of Christ outside of the church. It is holy, life-transforming work, a new way to discover the Lord. It heals wounded hearts. One of the geniuses of Fredrick Ozanam, the founder of the Society of St. Vincent de Paul (in 1833), was that all of the baptized, not just those called to religious orders, were worthy of the mission to provide for the poor. If the church doesn't leave the building, the Eucharist is not as powerful as the Lord intended. The voice of the Society of Saint Vincent de Paul may be small in the church, but it is a most important voice as we reach out to the last, the lost, the least and the lonely." Were you inspired by Father Don's message? Please consider joining us in the life-transforming work of SVdP. Meetings are held once a month and there are many ways to serve.
